BIBLICAL RECORDER REPORT

Many important issues are facing North Carolina Baptist. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday School lessons or the Uniform Lessons. For a period of at least six months, the Recorder will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptist will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The Recorder will present the issues and possible choices to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist Colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and distrubing clouds are on the horizon elsewhere. Talk of New Morality, the so-called Death of God Movement, and the drastic changes in the young people's attitude toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking shape in North Carolina for the liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this report as a report, please take definite action to see that the Recorder soon goes to every family in your church membership. All of us know that the Recorder is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the Biblical Recorder.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the Recorder is available for $2.00 a year--the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay. This is an important decision to make, especially in view of the issues facing North Carolina Baptist in the coming year.

If you are not receiving the Recorder, then subscribe now as a Club, Family Plan or individually.

7. Rev. Howard Willis, Associational Field Worker presented the report on Associational Missions, and read Acts 5:29. Report adopted.

REPORT ON ASSOCIATIONAL MISSIONS

The mission of the church, in the market place is to proclaim Jesus Christ, not as an antedote to communism or to racial problems, but it's a glad song of redeemed and victorious man. The association is a part and partial of all of this. There is the importance of organizations. We must organize to accomplish.

We as Christians, and a part of the fellowship of Jesus Christ, stand together to witness and to practice our Christianity in the busy place that is in the world. Churches, like the individuals, struggle between the human urge to satisfy the world's demands and to be loved by the world, or to fulfill the higher purpose of loving a hating world and therefore by fulfilling God's purpose for the world's redemption. A church as a part of the body of Christ upon this earth must ever find itself given to the fulfillment of God's purpose for it. It finds itself at enmity with the world's concept of what it should do and be.

The worldly concept of preservation is always thrust upon a church. Every day it makes its decision as to whether it

will build walls about itself to protect and preserve itself from the cries of need all about it or whether it will loose itself in meeting human needs. And every day each of us do the same thing. As an Association makes its decision as to where it will help the churches build walls around themselves, to protect and preserve it from the cries of needs all about it, or whether we will help it loose itself in meeting needs.

A church which elects to preserve itself by isolation begins its process of death. A church which expends itself in giving itself away is preserved for service and enlarged in the lives of those to whom it has given its love. A true church is an outpost of the Kingdom of God, placed in a particular spot in the world to bear witness to the Lordship of Jesus' church. A church is a mission, living by the foolishness of God in a world that sometimes hates it, sometimes is indifferent and sometimes seeks to take it captive. Any church that does not recognize the basic purpose for its existence is in jeopardy of its life. The predicament of the church in America is precisely that it does not recognize that it is in a missionary situation. Missions are only seen as a special project of the church to which men and women are sent overseas to preach in distant lands. Even the local mission the church is a home mission enterprise, is a home missionary venture somewhere off in forgotten territory or in the world of the cities.

We have forgotten that missions is a task of the church wherever it finds itself. We have a struggle of convincing our people that the work of our Association is Missions. There is no greater mission field. There is no more pertinent vital mission field than our own here. The context for missions which you build in field which is your Association in that same context which extends around the world. The Spirit of participating which can convey to the layman and the churches of your Association is that same spirit which will build a world mission enterprise. That would truly express our part of concern for Jesus Christ and His concern. Don't you see, you're a mission field. But more than this, you are a mission agency. You're just as much a mission agency as the State Mission Department, or the Home Mission Board or the Foreign Mission Board. What's our purpose? What can our organization better do? We cannot be missionary in our concern where we are we will die. An Association cannot be missionary in its concern where it is, it will surely die. This is the program of Associational Missions, to help the churches to live where they are, and I use that word to its complete depth, to live where they are. If a church is to live and send missionaries to the world, it must practice missions at home.

Howard Willis

8. State Missions report moved for adoption by Rev. Howard Willis. Report adopted. There was no one to speak to this report.

STATE MISSIONS REPORT

"Come over and help us" is the plea thousands of lost and needy people make every year to State Missions. You and your leaders can insure success in answering these calls by achieving your part of the $200,000 goal for State Missions in 1966. This year all over $160,000 will go toward building a place of worship at the North Carolina Baptist Assembly. Our young people need a house of worship at Caswell, and this Special State Missions offering will help provide such a place.

Praying, preaching, teaching, and giving the people an opportunity to be missionaries here in North Carolina is a golden opportunity before all of us:

To this end, will you—

1. Pray for mission causes in North Carolina
2. Preach a State Missions sermon
3. Set a date with your Sunday School to plan to make a contribution.
4. Lead in setting a worthy goal, even to all classes.
5. Encourage every one in church to do their best on State Missions Day.

By your contributions you are witnessing in North Carolina.

Respectfully submitted,
Howard Willis

9. Home Missions Report prepared by Rev. Wiley Gibson. The printed report was adopted.

"OUR LAND FOR CHRIST"
HOME MISSION REPORT

The workers of the Home Mission Board accept the Bible as the inspired Word of God, Jesus Christ as their Saviour and Lord, the Great Commission as their marching orders, and the Holy Spirit as their guide and companion, and they rededicate themselves to this great mission task as they face the challenge presented by these needs.

The Home Mission Board would like to call on Baptist throughout the Convention to recognize the size and urgency of our home mission taks, and to pledge anew their prayers and support in meeting the challenge of this crusade in home missions.

The Home Mission Board has a missionary program for

2,000,000 migrant laborers. There are almost 8,000,000 Spanish-speaking people served by this Board, and only one in 150 is a Baptist. There are about 250,000 deaf people, and the Home Missions Board now has thirty workers to serve among these people. Our missionary pastors and kindergarten workers serving Spanish-speaking people reported 8,215 conversions last year. There are 800,000 French in Southern Louisiana and Texas, of whom only 8,000, or one out of every 100 are Baptist. The Board Ministers to more than 40 nationalities in the homeland, and twice our present missionary force is needed to reach these people with the everlasting Gospel.

Five million is needed to build missions, churches and chapels for the congregations belonging to these language groups.

We have 165 missionaries serving among the Indians, and yet there are a great number that are unreached with the gospel.

The missionary force of the Board, now numbers above 2,400 exclusive of summer workers. The missionaries of the Home Mission Board preached more than 172,000 sermons and reported 50,868 conversions in 1964.

The Board co-operated in 135 Schools of Missions, reached 2,344 Baptist churches and 855,594 people with the message of missions in 1964. The Board distributes annually nearly 350,000 copies of study books, edited and published under the direction of the Editorial Service. Then there is a program of evangelism, and almost every one of the 1,100 associations have a chairman of Evangelism working with the Division of Evangelism. This is of great importance in telling the Story of Jesus, not only in the individual association, but around the world.

Will you help us win the world to Christ through Missions?

Respectfully submitted,
Rev. Wiley Gibson

10. Attention was called to the Foreign Missions report, made by Mrs. Don Seagle, who was not present. In her absence the report was moved for adoption by Mr. Jim Williamson. Report adopted.

FOREIGN MISSION REPORT

At the close of 1965 the Southern Baptist Foreign Board had a staff of 2070 missionaries. A new demension in missionary service was initiated in the summer of 1965 with the Missionary Journeyman Program. These single college graduates under 27 years of age went to seven countries for two year terms in special assignments. Even with these

additional appointments less than 25% of the need was met.

Southern Baptist Missionaries were under appointment to 61 countries or political entities at the close of 1965. Work with English speaking people was begun in Austria and Libya and missionaries were appointed for English work in Turkey. A couple now in language school expects to go to Ivory Coast in 1966.

In leading of people to new life in Jesus Christ is the ultimate purpose underlying all our missionary endeavours. The cultivation of New Testament Churches is the wisest investment of missionary resources. At the years end there were 4410 churches, 7131 mission points and 3816 national pastors related to our Southern Baptist work. These reported 48,080 baptisms, 492,148 church members and 571,590 enrolled in Sunday School. Nationwide crusades were held in three countries, area campaigns in six areas. Notable strides were made by radio and TV around the world. In more than 20 nations, regularly scheduled programs were heard by thousands.

The 1,095 missions related schools in 41 countries had an enrollment of 184,810 students and a staff of 5,703 national and 382 teachers. Medical mission institutions include 20 hospitals, 52 Clinics, with a total of 1,379 beds. In 1965 there were 106 National and 63 missionary physicians serving with 288 National and 56 missionary nurses. They treated 504,968 patients.

Literature in the language of the people has become important for evangelism leadership and Christian leadership. Our 21 publication centers overseas and at El Paso, Texas, produced over 18 million pieces, tracts, books, Bibles, hymn books, etc. Staffing these centers were 58 missionaries and 443 Nationals.

Total contributions of Southern Baptist for Foreign Missions amounted to $24,983,924.53. Still, needs continue to be far beyond financial resources.

May God richly bless as we lay our hands to the task before us in joy, and confidence and high sense of expectation.

Mrs. Donald Seagle

15. The Finance report was moved for adoption by Rev. Howard Willis, in absence of the Finance Committee. Rev. Willis called attention to four churches now supporting associational missions who had not been supporting. Report adopted.

FINANCE COMMITTEE REPORT

Members of the Finance Committee of the Macon Baptist Association are happy to share with you a report of the progress made during the past year, both in number of churches participating and the amount of gifts.

Four new churches joined in supporting Associational Missions: Calvary, Mashburn Branch, Mountain Grove and Tellico.

Associational Missions gifts were increased by thirteen churches in the association: Burningtown, Cartoogechaye, Cowee, Ellijay, West Franklin, Franklin First, Higdonville, Highlands First, Holly Springs, Iotla, Rose Creek, Sugar Fork and Wells Grove.

A total of twenty-nine churches in the Association supported the Mission program during the past year.

Total receipts for Associational Missions were increased from $3,822.06 to $5,014.93.

Changes recommended in the budget for the coming year are: Salary and Travel expense for the Field-worker increased from $3,000 salary and $500 travel to $3,200 plus $500 travel expense. An increase in the Field Worker's Social Security was made from $120 to $140 or half of the actual amount due on the salary. The budget for the office phone was raised from $200 to $225. Office supplies and postage amount was increased from $200 to $225. Funds proposed for W.M.U. work were increased to $75.

We recommend that our North Carolina Baptist State Convention again supplement our association budget with the amount of $1,500.

These increases in the budget will require an increase of gifts from the churches of our association. We fell that our people will support this program so that we may move forward in an even greater way for our Lord during the coming year.

EVANGELISM REPORT 1966

Your committee on Evangelism have prayed and talked about an associational wide revival in 1967. In our Pastors Conference and the Executive Committee meetings they have approved a tent or a location with all our Baptist Churches working together in unity for one purpose, to win the lost to Christ. The following report came from the Department of Evangelism.

This seems to be the age of rebellion. People everywhere are rebelling against constituted authority. Rioting mobs cover the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer but it seems to elude him.

Do we have the answer? We can positively say we do

have the answer. God's answer is in New Testament churches, preaching the Gospel of Jesus Christ, preaching both by precept and by example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot and holy fires of revival. From Pentecost to the last real revival in the local church, God's answer has been conclusive and complete.

Southern Baptist's attention is directed to the Crusade of the Americas in 1969. Twenty-one countries are cooperating in the crusade. We must get ready. Our God is a God of planning and purpose. Now is the time to get every church committed to the Crusade date for 1969.

We shall continue with our calendar of evangelism month by month, including our annual simultaneous, individual church, and area revivals.

Respectfully submitted,
Clyde Collins

25. Attention was called to the Cooperative Program Report by Rev. Cecil Frady. Mr. Tom Green, of the Cooperative Program Advance, was recognized to speak to the report, read as a scripture passage Acts 1:1-8. He requested the churches to pray for the Cooperative Program one service in October. Cecil Frady moved the adoption of the report. Report adopted.

COOPERATIVE PROGRAM REPORT

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work being done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aging, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus

came to seek and to save. Each year more of our churches are increasing their gifts through the Cooperative Program, at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Life Line of Baptist Work, that the Cooperative Program. According to our records Macon Baptist Churches have contributed more through the Cooperative Program this past year than ever before, still a great number of our churches did not share in world missions through this system.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

Recommendations:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.
2. That we engage regularly in prayer for the Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.
3. That the churches give regularly through the Cooperative Program.

Respectfully submitted,
Rev. Cecil Frady

26. Baptist Foundation Report prepared by Gordon Maddrey, Director of Baptist Foundation, was adopted. Rev. John Bowden, Pastor Bryson City First Church, was to speak to the report and since he hadn't arrived would speak to the report later. Moved to adopt printed report.

BAPTIST FOUNDATION REPORT

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way in which Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year.

This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation;

they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of the North Carolina Baptist Foundation, Inc.

Respectfully submitted,
Gordon Maddrey

27. Report on Baptist Children Home by Mrs. Ruby Young was moved for adoption by Rev. Clyde Collins in absence of Mrs. Young. Speaking to this report was Rev. Roger Williams, of Mills Home, Thomasville.

CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Home are scattered throughout the world. They are actively engaged in all walks of life and are making a significent contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptist and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being streng-

thened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the Western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a great challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars ($315,000.00) and is the largest ever. Special gifts and designations such as the once a month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Ruby Young

28. Attention was called to the report on Homes for the Aging prepared by Swann Elliott. Representing Mr. William Poole, was Rev. Roger Williams, speaking to the report. Report was adopted.

HOMES FOR THE AGING REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptist, through the Special Day offering, received on the third Sunday of February each year and through our share of the Cooperative Program. The large majority, at least 85%, have benefited directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that even though there has been a 5% increase in the offering from last year, cost have advanced 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There has been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on the fifth home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of the Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that each of you will not disappoint the aging people who are looking to you for help.

30. Rev. L. C. Pinnix presented Report on Minister's Retirement and Annuity and moved the adoption of this report. Speaking to this report was Guy S. Cain of the Baptist State Convention. Report adopted.

ANNUITY BOARD REPORT

Ministers, church employees, and those employed by our Baptist Institutions, should be informed of what our Annuity Board has to offer. The services are: to the disabled, widow protection and retirement income for those holding certificates. The Annuity Board recommends that the church pay 10% of the pastor's salary up to $4,000. The State Convention then pays 5%.

This is now the third year for the Life Benefit Plan. The cost of which is 1% of the salary basis—minimum of which is $4,000 plus parsonage allowances, utilities, car expenses, etc. rounded out to the next highest thousand.

The Health Benefit Plan is in operation. 10,054 are now enrolled in this plan. The next enrollment will be this fall with a deadline on November 30th, 1966. Every pastor should have some good hospitalization plan; otherwise, he may be faced with a large hospital bill and obligated over a long period.

According to our minutes only a small number of the pastors in Macon Association are enrolled in these plans. (In fact only three). Are you, brother pastor, one of the 28,000 members in the retirement plan over our Convention? North Carolina has 48% of its churches in the Protection Plan.

For further information about these plans contact Rev. Guy S. Cain, 301 Hillsboro Street, Raleigh, N. C. 27603, or write directly to the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas, 75201.

29. In absence of Bruce Bryant, Rev. Howard Willis presented the report on Baptist Hospital and also speaking to the report in absence of Dr. W. K. McGee. Howard Willis moved the adoption of this report. He reported hundred percent of churches contributing to Baptist Hospital this year. Report adopted.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind, and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston-Salem.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people more than it receives from the Mother's Day Offerings, the Cooperative Program, and all welfare agencies combined. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Of course, the Hospital simply cannot continue to operate this way. Medicare is not going to change the situation greatly. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same measure for those who cannot pay for it.

While some of our churches support the Hospital well indeed, most of them could do far more than they have been doing. We want to bring this to your attention, asking you to go back to your church and give this information to your people and help them to give serious consideration to the Hospital's vital ministry and its urgent need.

We are very happy to report that for the first time ever, our association has contributed 100% to this most worthy cause in the amount of $2,666.60 to date, as compared with $1,982.10 in 1965.

This is good, but it could have been far better. Will you help go beyond this amount in the coming year that many may have treatment that cannot afford it?

Respectfully submitted,
Bruce Bryant

34. Report on Seminary Extension Work - Rev. Roy Smith. Rev. Howard Willis spoke to this report. Report adopted.

SEMINARY EXTENSION REPORT

The continued growth of the Seminary Extension work here in Region 10 is most gratifying and encouraging. This past year 16 centers operated in Region 10, serving Negroes, Indians, and white pastors and lay people. The total enrollment was 329.

The Franklin Center had an enrollment of 21 and the Highlands center, a new work, had an enrollment of 10. We are most grateful to the officers who promoted this effort, and to Rev. L. C. Pinnix and Dr. Thomas Lane who served as teachers. We are also grateful for each person who shared in this fellowship of learning.

Plans for the coming year will be completed shortly. We urge every person who has the opportunity to take advantage of this wonderful opportunity.

35. Report on Truett Camp prepared by Rev. Roy Smith. Rev. M. I. Brock spoke to this report. He moved the adoption of this report. Report was adopted.

TRUETT CAMP REPORT

Truett Baptist Camp is now in its twelth year of operation. A very good program of Missionary Education, Worship, Bible Study and Recreation is in progress under the leadership of Mr. Jack Rogers, camp director.

Many improvements to the property have been made since

last year. Most notable among these is the construction of a two-room cottage with bath to house the Camp director and camp pastor. A group of young people from the University Baptist Church, Chapel Hill, and their pastor, Dr. Henry Turlington, spent a week at the camp painting the cottages and the new concession stand, and landscaping the grounds. Ninety three shrubs and plants were set out. These young people purchased these plants with their money and planted them.

We sincerely appreciate every support you have given the camp in the past and encourage you to continue to support this effort in the coming days. We yet owe some on the new building which was constructed. Let us encourage you to take care of this matter in the very near future. The Baptist State Convention has given $800 toward the cost of construction, and we here in the Region 10 are expected to take care of the balance, about $1,300.

It is our sincere prayer that God will use this facility to reach the lives of the youth of our area.

Respectfully submitted,
Roy J. Smith

36. Christian Education report prepared by Ben C. Fisher. In absence of L. Hollingsworth, Rev. Robert Melvin, Chaplain of Mars Hill College, spoke to this report. Report adopted.

CHRISTIAN EDUCATION REPORT

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist Colleges to the denomination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than $100,000 and could very easily go to $200,000 with the cooperation of our Baptist Churches. We urge every church to observe Christian Education Day in 1967.

The Council on Education, at the July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker.

Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist Colleges, the State Convention, and the local churches can

join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made to these students.

The Baptist Education Study Task, under the leadership of Dr. Rabun L. Brantley, executive secretary of the Education Commission, and Dr. Albert McClellan, program director of the Executive Committee of the Southern Baptist Convention, will complete its work at the second National conference on Southern Baptist Christian higher education, to be held in June 1967, Nashville, Tenn.

Three regional seminars will be conducted again in North Carolina in 1967. They will be held in Raleigh area, the Winston-Salem area, and the Asheville area, Accreditation, its meaning and necessity, will be one of the central themes of the seminars this year.

Seven areas related to Christian higher education are being studied; the philosophy of Christian Education, academic scope, religious scope, the Christian college teacher, financing Christian higher education, college-denominational relationships, academic freedom, and academic responsibility.

	Enrollment in Fall Semester, 1965
Campbell College	2,192
Chowan College	1,179
Gardner-Webb College	1,191
Mars Hill College	1,428
Wake Forest College	2,996
Meredith College	942
Wingate College	1,486
Total	11,414

The Cooperative Program has been called the lifeline for the North Carolina Baptist Colleges. The 1966 Cooperative Program income for the seven Baptist colleges represent an endowment in excess of $35,000,000.

37. Rev. Howard Willis moved the adoption of the Sunday School Report prepared by Preaulo Crawford. Report adopted.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as real today as the day that He gave it, and it is our marching orders, not only for each individual, but the church in the twentieth

century. We are to "Go and teach all nations, baptizing them in the name of the Father, of the Son, and of the Holy Ghost, teaching them to observe all things."

The Sunday School has been assigned the task, or the God given privilege, of teaching the Bible, reaching the unreached, and leading all church members to Worship, Witness, Learn, and minister daily. So the church has the opportunity to help in its functions of Worship, Proclamation, Education and Ministry.

Southern Baptist Sunday Schools are seeking to have a gain in enrollment of approximately 30% in the next few years. The challenge for increased enrollment is great, but the opportunities are also great in every community.

A good Vacation Bible School in every church will give an uplift and boost in Sunday School attendance. The Young People in every church need training, and this can come about through Vacation Bible Schools. Did your church have A School this year?

In the year of 1963 our enrollment in Sunday School was 4,668, and in 1964 it was 4,615, a loss of 53, then in the past year 1965, the enrollment was 4,285 a loss of 320.

I would insist that we locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people, and we will experience a growth in our Sunday Schools.

The Associational Sunday School organization stands ready to help the churches in Macon Association in any way possible.

Sincerely yours,
Preaulo Crawford

38. Training Union Report was moved for adoption by Rev. Jud Duvall in absence of Mrs. Jack Powell. Report adopted.

TRAINING UNION REPORT

This has been a busy year for Training Union in the Macon Association. Your associational Training Union director and other associational officers visited in a number of churches throughout our association this year.

We had one church represented in the Tournaments with six in the Scripture memorization and one in the Adult Scripture Reading Tournament. Our association was represented in the Regional Tournament by several boys and girls in the Scripture memorization tournament, and Mrs. L. C. Pinnix in the Adult Scripture reading tournament.

A matter of concern is the fact that more of our people from our association do not take advantage of our summer assemblies.

May I urge each of you to study and stay up to date with the current Training Union materials, especially, The Training Union Magazine. This is essential in order to know what is going on in Training Union work.

Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
Mrs. Jack Powell

39. Vacation Bible School Report was moved for adoption by Rev. Clyde Collins. Report adopted.

VACATION BIBLE SCHOOL REPORT

Interest in Vacation Bible School work this year was good, however a report at this time cannot be complete as reports are still coming in.

A corp of workers, Nursery through Intermediates and the Field-worker attended the V. B. S. Clinic at Wingate College in January of this year. Two associational Clinics were held with good attendance and interest shown at both meetings. One was a day time clinic and the other a night clinic.

May I thank you all for the cooperation given me in this great work. To me there is no greater field of witnessing to boys and girls than the Vacation Bible Schools.

Respectfully submitted,
Mrs. Jack Powell

40. Mrs. J. C. Jacobs was called to present her report on W.M.U. In her absence Mrs. L. C. Pinnix moved the adoption of this report. Report adopted.

W.M.U. ANNUAL REPORT

With gratitude to God for His continued blessings, we have tried in Macon Associational Woman's Missionary Union to focus our efforts on the present and to plan with wisdom for the future. As we look at our work we feel we have fallen short of what God expects of us, therefore we are praying for His Guidance in making the women of our churches more aware of the mission which lies before us in our own Macon County.

We have thirteen churches with Missionary Societies, four with Young Woman's Auxiliaries, nine with Girl Auxiliaries, and eight with Sunbeam Bands. Our enrollment to-

tals 533. The executive board meets quarterly making broad plans well in advance. Of the eleven members of the board, nine hold leadership cards. Three members have had advanced leadership training. Six of these officers attended the workshop at Fruitland, September 10-11, 1965.

We had six from our association to attend the State WMU Annual Session held in Raleigh, March 15-17, 1966. On September 23, 1965, Leadership Conference's were held at the First Baptist Church. In September our churches observed State Missions month with seasons of prayer, programs and offerings. The Foreign Mission book on Brazil was taught, the week of prayer for foreign missions observed and the Lottie Moon Christmas offering was taken in December. March 6-13, 1966, the season of prayer and special offerings were given for Home Missions. The Annual WMU meeting was held April 20, 1966, at the Cowee Baptist Church. Nine of the thirteen churches with organizations were represented with 62 present for the meeting. A budget was presented and adopted. A most challenging program, "Having the Everlasting Gospel," was used throughout the day with Mrs. Roy Rickman presiding. Miss Miriam Robinson, State Executive Secretary was present and spoke during the morning session. Miss Jane Holbrooks, Miss Karen Houston, G. A. Queen Regents, and Miss Susie Gibson, Queen Regent in Service, served as pages for the meeting.

The G. A. 's have been very active. Several of them attended the G. A. Camp at Truett, and five Intermediates attended G. A. Camp at Fruitland. Mrs. M. I. Brock, director, presided at the Coronation service held at the Cowee Church August 20, 1965. Fifty-seven of our girls has worked hard during the past year in the forward step program and were recognized at this most impressive service. There were 12 Maidens, 14 Ladies-in-waiting, 9 Princesses, 15 Queens, 1 Queen-in-Service, 3 Queens with Scepter, 2 Queen Regents, and 1 Queen Regent-in-Service. Every step of the girls Auxiliary Forward Step Program was presented by these girls. The G. A. leadership course was taught by Mrs. Brock in the fall of 1965. Eleven of the leaders received leadership cards. A Girls Auxiliary was organized at Ellijay Baptist Church.

The Sunbeam Day Camp was planned by Mrs. Furman Shook for August 12, 1965, at the Holly Springs Community Center. Mrs. Shook taught the leadership course in November, 1965. Eight leaders received their cards.

The YWA Council met in November 1965 at the First Baptist Church. Mrs. Arvel Parker, director, reported that all YWA organizations were present. The YWA leaders did individual study and renewed their leadership cards.

All of the Auxiliarys observed the seasons of prayer

with study and offerings.

Surely this report will bring to us a fresh look at the vast need of mission work in our own association. Continuous praying, giving, and telling will help to make us keenly aware of the Great Commission given by our Master to each of us.

Respectfully submitted,
Mrs. J. C. Jacobs

G.A. REPORT

The G. A. 's have progressed well during the past year, with the help of their faithful directors and counselors.

The activities of the G. A. 's include Coronation service camps, memory work, Community missions, together with their monthly meetings, and their various studies of mission work.

Our Associational Coronation was held at the Cowee Baptist Church. The theme, "We've A Story to Tell," was vividly portrayed by the girls throughout the services.

We are truly grateful for our girls and for their progress made in their forward steps.

We had: 15 Maidens, 18 Ladies in Waiting, 12 Princesses, 14 Queens, 1 Queen in Service, 4 Queens with a Septre, 3 Queen Regent, and 1 Queen Regent in Service.

All G. A. work will help to build better young women for the world of tomorrow. It will help them to be better church workers, community leaders and take their place in the world, "With a Story to Tell" those who need to hear about Jesus and His love.

Our goal for the new year is to enlist every girl that we can for our G. A. work and go forward for Christ.

Respectfully submitted,
Mrs. George Raby

41. Sam Saunders, Associational Brotherhood President, moved the adoption of the printed report. Report adopted.

BROTHERHOOD REPORT

It is with thanksgiving to our Heavenly Father for His love and blessings, and with gratitude to our co-workers that I submit this fine report of the Associational Brotherhood.

The many aims and purposes of the Brotherhood may be summed up as follows:

1. To reach the masses of men in our churches with a regular and definite message concerning the work of our churches and denomination, and to enlist them in the promotion of the work of the Master.

2. To help our churches to be more missionary minded through the work of the Brotherhood.

We are indeed happy to report that one Brotherhood has been organized this year. We are thankful to the Father for His guidance and appreciate the cooperation of our Field-worker and all those who have helped forward such a most worthy cause.

We believe that Brotherhood has a great future in Macon Association. We covet your prayers for the new leaders that will be working with us for the best interest of Brotherhood this coming year.

Sam Saunders

IN APPRECIATION

Gratitude, like hope, "springs eternal in the human heart," for life for most of us is but the receiving of joys and blessings at the hands of others. So it becomes our privilege now to express our gratitude for these sessions of rich fellowship. To the pastors and members of the hostess churches, Oak Grove and Ellijay, we express our deep appreciation for your hospitality, the thoughtful preparation, and for every kindness extended to us. We thank the Ellijay people for the nice dinner we enjoyed on Friday.

We appreciate the endeavor of those who have so carefully and prayerfully planned and executed the program. To our Associational officers and their committees we are deeply indebted for your consecration to the well done tasks of the past year. And during our annual gathering we have experienced the inspiration that comes from meeting together with so many of like purpose, filling our souls to over-flowing with the message of our associational leaders and guest speakers.

As we leave it will be with thoughtful hearts to each of you who have made this session a memorable one. To Rev. Clyde Collins and Rev. Cecil Frady for the inspirational messages that lifted us to higher aspirations and to everyone contributing to the spiritual uplift of our annual meeting, we are grateful this session will be recorded in our hearts as a session of warm fellowship and love and renewed faith for the tasks before us. May we go forth and study to show ourselves approved unto God.

45. The Historian printed Report by Mrs. I. T. Peek was moved for adoption by Rev. M. I. Brock. Report adopted.

HISTORICAL REPORT

A world-wide movement was started on the day of Pentecost when the "promise of the Father" came upon the disciples of Christ and the power of the Holy Spirit filled them. They could not remain in the upper chamber, but needs come down to the crowded streets where dying men aburst with sin and hunger. The churches of Macon County are carrying on this great movement.

Space will not permit but a very meager report. Many of our churches are continuing to make improvements. To drive over the county one would think the churches were practically all suburban, built well and equipped to preach and teach the Gospel of our Lord. I would like to mention a few of these churches. Some of them are:

West Union: Ray Moore, Pastor; Mashburn Branch: Harry Garner Pastor; Holly Springs: Cecil Frady, Pastor; Ridgecrest: Guy Duvall, pastor; East Franklin: W. A. Cloer, pastor; Tellico: T. A. Slagle, pastor; Briartown, S.: J. Waters, pastor; Cartoogechaye: Gene Southards, pastor; Long View: Wiley Gibson, pastor; Sugar Fork: J. S. Cunningham, pastor; Oak Grove: Howard Willis, pastor; Iotla: M. I. Brock, pastor; Mount Hope: Clyde Collins, pastor; Walnut Creek: Eldon Owens, pastor; Windy Gap: Edgar Norman, pastor; Black Mountain: Claude Ledford, pastor; Highlands: L. C. Pinnix, pastor; Liberty: Alton Dendy, pastor; Oak Dale: Grady Burnette, pastor; Coweeta: W. A. Cloer, pastor; and Ellijay: Charles Dillenger, pastor; and Wells Grove: Earl Dendy, pastor.

Some of the churches have also provided means of encouraging a more worshipful atmosphere. They have also participated in the Job Corp ministry. Each Sunday morning at 9:00 a.m. the Sunday School Lesson is taught by a pastor or a layman. The churches have purchased Bibles for the boys.

We are happy that Mr. Willis has reconsidered his resignation tendered on July 7, 1966, and has decided to remain with us as associational missionary. During the two years of his service Macon Association has made tremendous gain under his leadership. Many of the churches who have not contributed to associational missions are doing so now. We pray God's blessings on him and his family as he continues to work with us in the service of the Lord.

Many deacons have been ordained in this associational year, which will be reported in another section of these minutes. However, may I mention one concerning Cowee; Charles Pickens, and Eugene Pickens had the privilege of helping ordain their father and Charles Cabe.

During this year the First Baptist Church has felt the effects of the Forward Program of Christian Stewardship. Last fall the church participated in a six-weeks emphasis which pointed out the spiritual needs and the Christian reasons for sharing their money with others. The results of this effort are being felt in this church. The members believe this to be a great spiritual reward. For the year of 1965 the total receipts were $60,176.00, while for the year of 1966 the projected total offerings will be $65,833.18. This is an increase of almost $6,000.00. God is opening the eyes and the hearts of the people.

In the area of confessions of faith and transmissions of letters, the church has had a total increase of twenty-one. In the past year there has been forty-five additions to the church, while there has been twenty-two lettered out, and two deceased. The church has had a total gain of twenty-one. We pray that God will continue to deepen the commitment of all the people of our Association to Him and the word of Life.

ASSOCIATIONAL MISSIONS REPORT

It must be insisted that the gospel is "the gospel of the kingdom" (Mark 1: 14). In accepting and "seeking the kingdom of God" the Christian accepts all citizens of the kingdom as brothers.

During this past associational year we have reached goals unsurpassed before. A great number of the churches have increased their gifts to associational missions. There has been a large number who have begun to support our work for the first time. At the time of my writing this message, others are still coming in. This has been the finest year ever in Macon Baptist association in the line of finance. There has been 32 churches that realized the need at home and supported our work. There is several individuals who have given of their means that we may go into the other church also. By your gifts we are able to go, and tell the story of Jesus in churches who need help and desire it. What have you and your church done for Associational Missions in Macon County? Let your light shine.

Respectfully submitted, Howard Willis, Missionary

6. The State Missions report prepared by Mrs. Clifford Dalrymple was received as information.

STATE MISSIONS REPORT

"A great and effectual door is open unto us", through State Missions. The challenge is before us, "New dimensions in State Missions". Our money dedicated to God, given to State Missions, will open doors for the prisoners, add new dimensions to the stranger within our gates, the deaf will be taught to read, and better understand God's Word. Many churches will have a better trained, and educated pastors, as we support the Baptist Colleges within our State, and Fruitland Baptist Bible Institute will be strengthened.

(continued)

As we consider the goal that we see before us, and ponder over the amount, that we as individuals will give to reach this goal, let's remember our Savior gave His life that we might have this opportunity. So our Christian responsibility is to give that others might know Him as Lord and Savior.

Respectfully submitted, Mrs. Clifford Dalrymple

7. The Home Missions Report prepared by Fred Stiles was received as information.

HOME MISSION BOARD REPORT

The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel world-wide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to Christianize the United States takes on global dimensions. At this point in human history home missions must be a major concern of Southern Baptist.

A Missionary force of over 2,100 assist Southern Baptist in their efforts to bring men to God through Jesus Christ in a period that is characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social changes. This force was reinforced in 1966 by the appointment of 427 missionaries with 119 on career status.

The Field is the Lord's, and let us reap the harvest of grain that is falling. Our churches need reviving, and the lost must be reached for Christ. The Home Mission Board has lead the way in developing new ways to reach people and help in the task of winning more people to Him. Our purpose should be "Others".

Respectfully submitted, Fred Stiles

8. The Foreign Missions Report prepared by Mrs. Fannie Gibson was received as information.

FOREIGN MISSION REPORT

The Field is the World. The call to lift our eyes to a new horizon of 5,000 missionaries has brought an encouraging response. We can interpret this only as God working in the hearts of His people. We come to the close of 1966 praising God for His blessings and grace, and confident that Southern Baptists will continue responding to His call by laying their lives upon the altar and their gifts at our Master's disposal so that the message of life and love can be shared with the people in every part of the known world. We turn our eyes to the future, giving God the glory, determined to serve in the power of His spirit to the end of the way.

At the close of 1966, there were 2,208 missionaries under appointment by the Foreign Mission Board for service in sixty-five countries. Two hundred seven missionaries were appointed during the year, including missionary associates and missionary journeymen.

Certainly the Field is the world. How far will we go in the years to come for our Lord? We have the Word and God has been good to us in America. Many are starving for the Word of Life. Will you and I give that others may know?

Respectfully submitted, Mrs. Fannie Gibson

9. The printed report on Biblical Recorder, was accepted as information. Speaking to this report was Guy Cain, Secretary of Annuity Department, in absence of C. W. Bazemore.

BAPTIST LITERATURE REPORT
(Biblical Recorder)

Consider just one thing the RECORDER did last year: In reporting accurately and courageously the doings of the General Assembly in Raleigh, the RECORDER performed a significant service for the Baptist, as well as other denominations. A number of daily newspapers, including the Charlotte Observer, credited the RECORDER with being a major factor in the defeat of a liquor by the drink bill. But we cannot sit back and relax. Supporters of liquor by the drink have warned that they will be back to push their cause in the 1969 General Assembly. The RECORDER will be there to keep you posted and to urge you to act.

Another example of the service to its readers, the RECORDER is continuing to run both Sunday school lessons--the Uniform Lessons and the Life and Work Curriculum Lessons. Outstanding writers have been secured to do these lessons.

In addition to the weekly ministry in nearly 89,000 homes, the RECORDER editor now writes a weekly religious newscast which is heard on more than 75 radio stations throughout the state. The Radio-Television Commission produces and distributes the program. This is another opportunity to spread the good news of the Gospel.

Nothing else can take the place of the BIBLICAL RECORDER in Baptist life. If you doubt this, try it in your church.

Respectfully submitted, J. Marse Grant, Editor

10. The Executive Promotion Committee's report by moderator was accepted as information.

EXECUTIVE PROMOTION COMMITTEE REPORT

During the year of 1966-67 the Executive Promotion Committee held four regular meetings, and three special called meetings.

October 6, 1966, in the regular meeting, it was voted and approved to discontinue plans for the school of missions to be held in 1967, for lack of participation of the churches.

Rev. Clyde Collins resigned as moderator of the association due to his acceptance of a church in another association.

October 21, 1966, in this special called meeting, Rev. Earl Dendy, Chairman of the Nomination Committee, presented Mr. J. C. Jacobs to the group as moderator to the Association. Mr. Gardner Holden was presented as R. A. Leader for the Association by Mr. Sam Saunders.

January 5, 1967: In the regular meeting it was agreed that the $454.48 in the Building and Loan not be drawn until needed.

April 14, 1967: In this regular meeting an announcement was made of plans to hold a county-wide revival at the Fair Building in July. The Vice moderator appointed Dr. Thomas Lane to fill the vacancy created by Rev. L. C. Pinnix on the nomination Committee. It was called to the committees attention that 13 Juvenille Delinquent cases had been reported in Macon County. It was approved that all help needed in Vacation Bible Schools be secured for the summer. The missionary read his resignation to become effective May 13, 1967. Dr. Thomas Lane made a motion that the Missions Committee in this thirty days time work out an agreement whereby the missionary could go full-time, and make a report, and an offer to the missionary.

June 9, 1967: Rev. M. I. Brock, Chairman of the Missions Committee reported that the Convention had been contacted about our supplement and they would increase their support by $912.00 providing the churches could match this amount. Rev. John R. Willis was secured as interim worker until a missionary could be secured.

Miss Linda Frady was approved as summer Bible School worker.

(continued)

June 27, 1967: In this special meeting the Missions committee made a recommendation to the Committee that Rev. Howard Willis be re-elected as Field-worker beginning July 1st under the same basis as he had served. That the churches seek to go full time in 1968 with the aid of the Baptist State Convention.

This has been our finest year ever in Macon Association, and I am sure it can even be better in 1967-68. Will you help us make it such?

Respectfully submitted, J. C. Jacobs

17. Temperance Report prepared by Howard Willis was presented, Howard Willis spoke to this report and moved the adoption of it, seconded by Sam Sanders. Report adopted.

TEMPERANCE REPORT

This year, 1967 is a very crucial year for alcohol.

At this writing many of the adjoining counties are already voting or have already voted to establish liquor stores. Some of these are making it possible that the towns themselves can vote, and set the counties aside, until such is over, and then vote in liquor. The question that comes to my mind is, "Will our State, Towns, and our Counties sell themselves down the stream for a drink of boose? Will our Nation do the same? A. B. C. stores are already become a reality in nearby towns. We do not know just what the outcome will be, but plan to take a stand against alcohol in any form. Will we help to put the bottle to our neighbors mouth? Well when we vote for such we are helping just to do that very thing. And there is a WOE upon those who do such a thing.

Parents have a great responsibility in teaching their children the perils of alcoholism, and so has the church. We live in a changing world, but let us not change in our stand as Christians to satisfy those who say, Give us liquor-by-the-drink, brown-bagging or in any other form. Let us continue to fight alcohol at all times, in any way, and especially, in this day in which we live.

Respectfully submitted, Howard Willis, Missionary.

21. Rev. Earl Dendy, Host Pastor, welcomed this session of the Association to the Wells Grove Church.

22. Rev. J. S. Cunningham was recognized to present the report on Evangelism, who also spoke to the report. Report adopted.

EVANGELISM REPORT

Evangelism has struck deeply into the life of Southern Baptists - and rightly so. It is the chief task of every Christian, and all of our organized Christian work. It still remains an unfinished task. What a time to challenge with Christ's claims. The pastor, the church, and the Christian has an unexcelled opportunity today. We must raise a call to repent across this luxury-laden land! We must awaken men to the consciousness that they are men, made to walk erect and look into the face of God. If the out-look is bad try the up-look.

The evangelistic thrust needed now waits not on new methods but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Him in mind, body, and soul. As chairman of evangelism, I want to urge you to make this year the greatest year in winning people to Christ. Should this happen in our association then it will be felt

around the world and more people will be able to hear the wonderful story of Jesus. The command is: "Go" "Preach" and "Teach".

Respectfully submitted, J. S. Cunningham

23. Attention was called to the Cooperative Program Report prepared by Paul Swafford. Rev. Howard Willis moved the adoption of this report and seconded, and carried.

COOPERATIVE PROGRAM REPORT

Last year North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, making a total of $8,684,950 for all mission causes! Only two associations in our state gave 100% - these were Anson and Yates.

Last year 28 churches out of 48 in our association gave a total of $9,802.42 through the Cooperative Program. This was an increase of $993.17 over 1965. Special gifts amounted to $10,767.38 with 48 churches giving. This was an increase of $3,451.55 over 1965. The total gifts through the Cooperative Program and Special Gifts amounted to $20,569.80 as compared to $17,118.25 in 1965.

We recommend that in response to the special call of God and the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

Respectfully submitted, Paul Swafford

BAPTIST FOUNDATION REPORT

Who will have charge of handling your estate? You choose an individual or an organization, specifically experienced, to manage and invest your estate. You can arrange for a trust to be set up to protect your estate against loss or dissipation.

A will prepared with the help of legal counsel may reduce the estate tax and the expense of probating the estate. Gifts to Baptist causes through a Baptist Foundation are exempt from taxation.

To perpetuate your Christian influence. You can from your estate make gifts of cash or other property to Baptist causes. Through a will, the Lord's work as administered by Southern Baptist can be assured of your continued support.

Respectfully submitted, Howard Willis

25. Report on Baptist Children's Home was moved for adoption by Mrs. Ruby Young, who also expressed giving support to Thanksgiving offering. Report accepted. Speaking to this report was Rev. Jim Lambert, Pastor of Baptist Children's Home, Thomasville.

CHILDREN'S HOME REPORT

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care -

(continued)

a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

Respectfully submitted, Mrs. Ruby Young

26. Attention was called to the report on Homes for the Aging prepared by Swan Elliott. Representing Mr. William Poole, was Rev. R. Roster, associational Missionary in Haywood, speaking to the report. Report was adopted.

BAPTIST HOMES FOR THE AGING REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year.

In these Homes we have an eternal investment and can rejoice in the loving care which you are making possible for our older people.

Two sources of income from the churches are increasingly vital in the support of our residents - The Special Day offering, received on the 3rd Sunday of February each year, and our share of the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your five Homes exists for the people from all over our great State whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

Respectfully submitted, Swann Elliott

27. The Baptist Hospital Report prepared by Bruce Byrant was accepted as information, speaking to this report was Dr. W. K. McGee, Director Denominations Relations at Baptist Hospital.

BAPTIST HOSPITAL REPORT

"Inasmuch as ye have done it unto one of the least of these my brethern, ye have done it unto me."

In the year of 1966 Macon Baptist Association churches gave 100% and was the first association in North Carolina to do so. The total amount given by the churches in 1966 was $2,728.60. Thus far this year we have surpassed this record by giving the amount of $3,083.54. We still lack three churches now going 100%, and we are sure that they will make it our goal. Many thanks to you the churches and the pastors and leaders for your fine spirit of cooperation.

Respectfully submitted, Bruce Bryant

28. Annuity Board report by Rev. Charles Dellinger was received as information. Speaking to this report was Guy S. Cain, State Convention Speaker.

ANNUITY BOARD REPORT

In 1966, more than $4,256.244 was paid in age retirement, disability or widow benefits to persons who participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member.

The cost of living continues to climb. A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary are recommended as a minimum.

Respectfully submitted, Rev. Charles M. Dellinger

SEMINARY EXTENSION REPORT

This past year was our best year in Seminary Extension work in the Macon Baptist Association. There were three centers in operation in the association this past year. The Franklin Center operated with an enrollment of twenty-one. The Highlands Center operated with an enrollment of ten. The Nantahala Center, a new endeavor just organized this past year, operated with an enrollment of seventy-two.

We are grateful for each person who had a part in this fellowship of study and learning.

Respectfully submitted, Rev. Roy J. Smith

40. Truett Camp Report was accepted as information, prepared by Larry Bryson.

TRUETT CAMP REPORT

The 1967 camping season for the George Truett Camp was a year of highlights.

Many churches have responded very favorably with financial support for the camp. The Camp Committee is asking each church in Region 10 to contribute at least $35.00 per year for the next three or four years for the cost of construction for 1968 and other long range plans for the camp, of which you will hear more about later.

During the camping season we had 36 professions of faith, numerous rededications, and 20 dedicating themselves for a church related vocation.

It is said an army is as good as its leader.

The George W. Truett Camp is for Region Ten. It is to provide training for our young people and children. The success or failure will depend on the support of each church and individual within the Region. Will you join in this ministry as we seek to prepare our own for the future.

Respectfully submitted, Larry Bryson; Supervisor

41. Howard Willis moved the adoption of Christian Education Report and recognized Rev. Clontz, Chaplain to Baptist Student Union at Western Carolina University, who spoke at this time. Report adopted.

CHRISTIAN HIGHER EDUCATION REPORT

The Baptist State Convention of North Carolina supports a unique program of Christian Higher Education. There are three senior colleges: Buie's Creek; Mars Hill, Meredith, and Wake Forest University.

The Baptist colleges in North Carolina continue to be grateful to the Co-operative Program and its vital financial support.

Respectfully submitted, Howard Willis

42. The Sunday School report prepared by Preaulo Crawford was accepted as information.

SUNDAY SCHOOL REPORT

The Sunday School has been assigned the great and important task, and privilege of teaching the Bible, reaching the unreached, and leading all church members to worship, witness, learn, and minister daily.

Our Sunday School enrollment in Macon Association has continued to decline for the past several years, and this should be alarming to the churches. We have no better avenue of promoting and witnessing for Christ than through Sunday School. There is a place of service for every Christian.

In the coming year we hope that every Christian will put forth a more dedicated effort to find their place of service and carry out the will of Christ for each life. Through service we attain "unto the measure of the stature of the fullness of Christ". (Eph. 4:13).

Respectfully submitted, Preaulo Crawford

43. Training Union Report was accepted as information prepared by Marshall Fouts.

TRAINING UNION REPORT

According to the records of 1966, we only have 22 churches that have organized Training Unions. These churches have an enrollment of about 271. Training Union is a program of training, and there is a great need in most of our churches of better trained leaders. It has been said in the past few years that the reason there is a decline in men entering the ministry, is due to lack of training. It has further been proved that a large number of men

(continued)

now in the ministry, have been those who came out of a church with a training program.

Every church needs a Training Union and we stand ready to help you get one started in your church.

Respectfully submitted, Marshall Fouts, Director

44. Vacation Bible School Report was adopted, speaking to this report was Howard Willis.

VACATION BIBLE SCHOOL REPORT

The goal this year was for 35 Church schools and one negro school. As to date there has been reports from 22 church schools and one negro school with 32 professions of faith. These reports are far short of the goal with 48 churches in Macon Association, in fact this is less than half. A thought that should stir the heart of God's people all over Macon association and should challenge all to greater enthusiasm and service in the vital ministry of Vacation Bible School.

The challenge is before us, we cannot afford to fail the boys and girls of our day. We cannot let them grow up unto themselves or by themselves. We must help them. We must guide them. We must pray for them. We must win them to our Lord Jesus Christ.

Respectfully submitted, Mrs. Mack Neely

The W.M.U. Report was accepted as information.

W.M.U. REPORT

The combined efforts of the women of our association during the past year has brought many blessings to the work of missions in our county. We are deeply grateful for the privilege God has given us to promote His work through Woman's Missionary Union.

We now have ten churches with Missionary Societies, two with YWA's, six with G.A.'s and five with Sunbeam Bands. We have thirty-seven organizations with 438 enrolled. Of these we had three honor groups, six advanced groups, and two approved groups.

As we review last years work, we look to the future with great enthusiam and faith for a better year as we continue His work.

Respectfully submitted, Mrs. J.C. Jacobs, WMU Pres.

46. Sam Sanders presented the Brotherhood Report and moved its adoption, seconded by Jud Duvall. Report adopted.

BROTHERHOOD REPORT

If we are Missionary Baptist our 48 churches in our association should be doing great mission work. We hope leaders will be selected by the churches this year, that can by the help of God and other men do greater mission work at home and abroad, in churches small and great.

Our desire and prayer is that we may have more men, young men, and boys in our Master's work this year. Organize a Brotherhood, get the men and boys at work in your church. If we can help you then we are ready.

Respectfully submitted, Sam Saunders, President

47. Rev. J.W. Myers read as scripture passage Romans 10:1 and led in prayer.

IN APPRECIATION

We are grateful for this privilege to express appreciation to all who have made this sixty-fourth session of the Macon Association a memorable one. Many are due a great deal of gratitude. A big "thank you" goes to our moderator, J. C. Jacobs and to his efficient staff of officers for their consecrated leadership of the past year and for their dedicated work in the preparation and developing of the program. To our field worker, may we say we are thankful for your decision to continue the good work you have so ably proven by your past services. And to our faithful pastors we give due credit for the progress made by the churches in the past year. To the pastors and their members of the Watauga and Wells Grove Churches we are genuinely grateful to you who so generously took the time and effort to make your buildings convenient for our comfort and enjoyment and for the delicious meal that was enjoyed by all.

There is thrill and excitment in Associational Meetings. There is expectancy and gratitude that we anticipate from the close of one session to the opening of the next. We are deeply rewarded by the worship, inspiration, and fellowship we experience together. The guest speakers contribute no small part to the highlights of our program. We thank God for the fresh challenge brought to our hearts by their messages.

It is fitting that the theme of our program "Ministering" has been emphasized so often in the reports and messages. As we face the opportunities and responsibilities of the new-year, we are pressing forward in the glad realization that His Grace is sufficient for us as we minister in His name.

Respectfully submitted, Mrs. Jeter Hidgon, Rev. and Mrs. Wiley Gibson

50. The Historical Report was accepted as information.

HISTORICAL REPORT

The command of Christ obligates every member to witness for Him in Macon Association and unto the uttermost parts of the earth. No individual can escape that command. Has our witness met these demands?

What outstanding things God has done for His people in our association during the past year. The first disciples gathered the people together and reported all they did. We shall try to make a brief report of some of the spiritual blessings that has been ours.

Forty-seven churches have been on the move in the past year, preparing for a more conducive atmosphere for worship. Ground improvements at Cartoogechaye; New furniture at Longview; new furniture at Ridgecrest; new furniture at Ellijay; rest rooms at Pine Grove; heating system at Calvary; heating system at Brairtown; furniture at White Oak Flats; outside of church bricked at Liberty; pulpit furniture and Sunday School rooms repaired at Oak Grove; Sunday School rooms carpeted and new pulpit furniture at Iotla; new pulpit furniture at Burningtown; Oak Dale remodeled outside of church; Black Mountain, tiled floors; Newman's Chapel, new choir room and lights on parking area; Holly Springs, new church furniture and driveway graveled.

Preaulo Crawford and Dan Stiles of the Mount Hope Church were ordained to the ministry. Also Frank Garner was ordained at East Franklin Church.

(continued)

Macon Baptist Association was the first association in the State of North Carolina to go 100 per cent in the Mother's Day Offering.

Sugar Fork's gifts to the Baptist Hospital was second highest in Contributions; with Franklin First leading.

The intermediate class of the Mount Hope church donated a nice bookcase to the Association during Vacation Bible School.

The Billy Graham was a great success with over 4,000 viewing the film, and about 540 decisions for Christ.

Respectfully submitted, Mrs. I. T. Peek

51. The closing Inspirational message was brought by Rev. John R. Willis, pastor, Mount Hope Baptist Church. He led in singing "The Unclouded Day". PROCEEDINGS

of the
SIXTY-FIFTH ANNUAL SESSION
of the
MACON BAPTIST ASSOCIATION

THEME: "A CHURCH FULFILLING ITS MISSION THROUGH WORLD MISSIONS."

THE MACON BAPTIST ASSOCIATION MET IN its Sixty-Fifth annual session with the East Franklin Baptist Church on Thursday evening, September 5, 1968.

Thursday Evening-September 5, 1968

1. The Association was called to order by J.C. Jacobs, Moderator at 7:30 PM, Mr. Fred Corbin, Vice Moderator, led in singing "Send the Light" with Mrs. Corbin at the pinao. Rev. Charles Dellinger read Ezekiel 3:17 and led in prayer.

2. Rev. Charles Dellinger, Host Pastor, welcomed the sixty-fifth session to the East Franklin Baptist Church

3. The Moderator recognized pastors and visitors at this time, also a welcome was extended to new pastors of the association.

4. The report on enrollment and statistics was submitted by Mrs. Cecil Frady. The clerk had received 44 letters representing 171 messengers. A roll was called of the churches with those elected by their church as messengers standing to constitute the governing body of the associational meeting.

The Clerk moved the adoption of the statistical summary, also that messengers present and other duly appointed messengers who may arrive later constitute the Sixty-Fifth Annual Session of Macon Baptist Association, the motion was seconded by Cecil Frady. Report adopted.

5. Rev. Cecil moved the adoption of the printed program with necessary modifications, and seconded by Rev. Jud Duvall, motion carried.

6. Rev. Jess Bailey, Pastor Mt. Pleasant Baptist Church, Hayesville, N.C. presented the report on Truett Camp. Also speaking to this report was Rev. Bailey, report was received as information.

TRUETT CAMP REPORT

The 1968 camping season was another successful year. Attendance was not as high as in 1967, but there was an excellent spirit and much was accomplished for the glory of our Lord.

The Baptist State Convention has agreed to assist in this development by contributing 50% of the cost. The Churches in Region 10 must match this with the other 50%. The Truett Camp Committee of Region 10 urgently ask the churches to contribute at least $35 per year for the next four years. This will provide the funds needed to construct facilities for about 75, 100 campers and counselors.

George W. Truett Camp is for Region 10. It is ours to provide training for our young people and children. Its success or failure will depend on the support of each church and individual in the Region.

You join us in this ministry for Christ as we seek to prepare tomorrow's leaders today.

7. The State Missions Report prepared by Mrs. Clifford Dalrymole was received as information.

STATE MISSIONS REPORT
(Goal $200,000.00)

With over two million people in the state of North Carolina not affiliated with any church surely state missions should be "A Continuing Ministry" for every Baptist.

In our modern world nothing stays around long that does not have a definite purpose, no mission has a more definite purpose than does State Mis sions. State Missions are very definitely included in Act 1:8.

Our democratic form of Church government is founded upon the belief that people will do the right thing when properly informed, so, State Missions seeks to Inform.

Each day the world becomes more complex, and events and personalities, become more confused and entangled, so State Missions seek to Interpret.

We have a responsibility as individuals to let our "Light Shine" in this world that is so in need of a continuing ministry for our Lord.

Current needs, Mission churches need a pastor; Disadvantaged people need a Gospel ministry; Language people need Missionaries.

Now, will you as a Christian assume your responsibility in the ministry, and count it a privilege from God.

Do your part to inform through giving through State Missions. Do your part to meet the current needs through giving to State Missions.

Remember the goal for State Missions in 1968 is $200,000.00 of which 20% goes to Fruitland Baptist Bible Institute.

Respectfully submitted, Mrs. Clifford Dalrymple

8. The Home Missions Report prepared by Mrs. Fred Stiles was received as information.

HOME MISSION REPORT

In the face of national and international tensions, an inflationary economy and moral problems, this agency is committed to the objective of assisting Southern Baptist in the effort to bring men to God through Jesus Christ. We cannot be satisfied with "business as usual" when more people are facing more complex problems and thus have deeper spiritual needs than ever be fore.

An increasing number of churches is calling upon the Home Mission Board for counsel, apart from the employment of missionaries.

The missionary force totals 2,165. While this is a lower figure than that of a year ago, the number of active workers has increased during the year. During the year 14 missionaries have been lost by death.

The Cooperative Program is the basic continuing means of support for the work, along with the Annie Armstrong Offering. Personal Witnessing, Evangelism and work in associations are made possible by support that comes from these two sources.

Home Missions involves every church and Christian in the States.

Will you become involved in Missions by giving through the Cooperative Program and Annie Armstrong Offering?

Respectfully submitted, Fred Stiles

9. Mrs. Roy Kinsland moved the adoption of the Foreign Mission Report, Seconded by Mr. Fred Corbin, report adopted.

FOREIGN MISSION REPORT

The Baptist People can look at the Mission Field of the world and answer the call of millions walking in darkness. Jesus said, for us to pray for labors to go into the fields for the harvest is great and the labourers are few. We must pray for our Missionaries and support them with our tithes and offerings.

At the close of 1967, there were 2,277 missionaries under appointment by the Foreign Mission Board for service in 67 countries. Amid conditions of instability in the Middle East, Nigeria, Vietnam, Hong Kong and other places, Missionaries have shown faith in God. We have 4,918 organized Baptist Churches in our Mission Fields. There are 118,639 students in 1,195 Baptist Schools, and there are 20 hospitals and 86 clinics on our Foreign Mission Fields that have treated 800,000 patients.

The Cooperative Program and the Lottie Moon Christmas offering make it possible for more work to be done. Let us work together in Love and Prayer as we support our Foreign Mission work. Remember the "Field Is The World".

Respectfully submitted, Mrs. Roy Kinsland

10. Rev. Howard Willis, Associational Missionary, was recognized who spoke to his report, emphasizing "These Have Turned the World Upside Down."

MISSIONARIES REPORT

"These that have turned the world upside down are come hither also". Acts 17:6b.

There is a Social Revolution, a Politicial Revolution, Nations are switching leaders and rulers because of politics. Riots are not uncommon. Racial trouble has sprung up in almost all our large cities. No doubt before the close of 1968 we will see or hear of more blood shed in many of our cities, Why, because of a Revolution.

We are in a crisis in the scientific world, heart transplants here and there, and they tell us that in just a few years that parts for the body will be available as parts for your car or anything else.

It has been said that in a few years that a small battery about the size of a suitcase will furnish all the electricity a family will need for twenty-years.

The things that worry me are: Why don't we begin a Revolution for the Lord Jesus Christ. Why don't we turn the world upside down for Him? We strain all our energy, money for everything else, why don't we as Missionary Baptists put some action into what we profess. A Trans-forming experience with the Lord.

Paul and Silas had a revolutionary message, and we have the same message. Sin is destroying this nation today, and sad to say that many are preaching a message leaving the atonement by the blood, repentenance, born again, hell, justification by faith, and many other doctrine out of the messages. Many are saying, educate our people and this will solve the problem. You can teach and train a person, but if he or she has not been born again they will go to hell.

Paul and Silas used a revolutionary method: It is past time that the message goes where the people are, where they live and work. Many even in our association no longer attend the House of God. It is time now for us to become fools for Christ's sake. Before the time of Christ the message never got outside the four walls, but when He came it went outside. Why? Because He was out there.

Paul and Silas had a revolutionary leader: Where Christ went a revolution was started. Men were healed, sight restored, crippled made to walk, people cleansed, and many left their places of employment and followed Him. You cannot take this Christ with you and be the same person. Neither can the world take Christ with them and continue on in sin, killing, destroying, and sinking on down. Respectfully submitted, Howard Willis

11. Baptist Literature Report prepared by Jack Powell was received as information. Speaking to this report was C. W. Bazemore, Circulation and Promotion, Field Representative of Biblical Recorder.

BAPTIST LITERATURE REPORT
(Biblical Recorder)

This is a period in history when some church pulbications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your Biblical Recorder is not immune from some of these problems, but there is a brighter side to its ministry. In January, the Recorder had its 135th birthday so this indicates it is durable and hardy.

There is every indication that the Recorder is continuing to be read closely. The tragedy is that more of our Baptist people don't get the Recorder.

The Recorder staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the Recorder at all times. The support of all Baptist is needed in carrying out this objective.

Respectfully submitted, Jack Powell

21. Host pastor, Wallace Tallent welcomed this session of the Association to Pleasant Hill Baptist Church. He read for scripture Acts 3:1-7 and led in prayer.

22. Evangelism Report by Rev. Jess Cunningham was received as information.

EVANGELISM REPORT

Our County-wide revival was held July 28-August 11 and the cooperation on the part of our some 8,000. people was very weak. This could have been the finest revival of awaking in Macon county. Now the opportunity has gone and we lift our heads somewhat discouraged. Now we are to look forward to the Crusade of the Americas in April 1969. The entire Western Hemisphere will be joining in this great Southern Baptist move to win the lost to Jesus Christ. To date we have the following churches who have joined; Pleasant Hill, Briartown, Cowee, Higdonville, Oak Grove, Windy Gap, Franklin First, West Franklin, Ellijay, Well's Grove, Liberty, Holly Springs and Coweeta.

Respectfully submitted, Rev. J.S. Cunningham

23. Co-operative Program Report prepared by Paul Swafford was received as information, speaking to this report was Rev. Roy Smith, Seminary Extension of State Department. He emphasised "Urgency".

COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad--it's preaching the Gospel--it's healing in the name of Jesus through hospitals and clinics everywhere--it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go...Preach...Teach...!

According to the records in the Macon Baptist Associational office 29 churches gave $11,142.20 during the past year out of 48 churches. In 1966 the amount was $9,802.42. An increase of $1,339.78 over 1966.

Special gifts amounted to $12,168.72 compared to $10,767.38 in 1966. Total Cooperative Program and Special gifts in 1967 amounted to an all time high in our association of $23,310.92 an increase over 1966 of $2,741.12.

We would recommend that every church plan, and promote a worthy budget, and that each church have a special prayer for the Cooperative Program causes during October, which is Cooperative Program month. We also insist that each church give regularly, a worthy percentage of each offering plate dollar through this means. If this is done then God has promised to pour out a blessing upon His Church and people. We cannot out-give God.

Respectfully submitted, Paul Swafford

24. Gordon Maddrey, Baptist Foundation of State Department was recognized who spoke to his report. He read Heb. 11:4.

BAPTIST FOUNDATION REPORT

During the past year, the North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyer, have made provisions in their wills that through the Foundation christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational missionaries, and our church representatives have been giving encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors.

Respectfully submitted, C. Gordon Maddrey

25. Children's Home Report by Ruby Young was received as information, speaking to this report was Rev. Isac Terrell, Children's Home Representative.

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists and other friends of the Children's Home are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

Last year's Thanksgiving offering was the largest ever--now approaching $325,000.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County and Clyde.

We covenant with you to face the future as we have the past; to offer Christian nurture to children in distress in the name of our Christ, Savior and Lord.

In Macon's 48 Baptist Churches the Thanksgiving to the Children's Homes amounted to $2,194.23. Once-a-month and special gifts amounted to $140.15. Charity and Children subscribed to amounted to sixty copies per week.

Respectfully submitted, Mrs. Ruby Young

26. Homes for the Aging report prepared by Swann Elliott was received as information, speaking to this report was William Poole, State Representative.

HOMES FOR THE AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes.

Baptist of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in N.C. About 85% of the residents ministered unto receive through the love gifts of North Carolina

Baptists. These love gifts from Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday in February each year, from which the Homes derive 22 1/2% of their total support; (2) The Cooperative Program from which we receive 12 1/2% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care of quantity.

Life among the residents in the Homes is most interesting, and if one wonders about the activity among those whose age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

We hope that in the days to come that Baptist in Macon County will see the need and come to the aid of our elder people. Many of these are depending upon us and our gifts both on the Special Day Offering and the Cooperative Program gifts. Shall we let them down?

Respectfully submitted, Swann Elliott

27. Baptist Hospital Report by Bruce Bryant was received as information, speaking to this report was Ben Fisher, Director of Higher Education State Department, in absence of W.G. McGee.

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and serve, is progressing on schedule.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by the county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

Respectfully submitted, Bruce Bryant

28. Annuity Board Report prepared by Charles Dellinger was received as information, speaking to this report was Roy Smith in absence of Rev. Guy Cain.

ANNUITY BOARD REPORT

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the protection program. A total number of 17,400 churches were providing the program for their ministers.

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; This provision is called "Delayed Participation", commonly known as a "grace period." The grace period will become effective on January 1, 1969. The provision states that the grace date is established in one of three ways: (1) as of January 1, 1969; (2) on the members 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. The reduction will be the ratio which such years of delay bear to the total years from the grace date to the normal retirement date. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

In Macon Baptist Association only about four churches provide this type of coverage for their pastors, while almost every person working in factories and places of employment have some type of insurance and protection. Is there any reason why the church should not provide coverage or insurance, for its pastors? Could not the church in which a pastor was leading the people pay as little as 10% of his salary into such a Protection Plan. Does your church provide a future for its pastor in case he becomes disable?

Respectfully submitted, Charles M. Dellinger

29. The Report on Christian Higher Education by Jack Powell was received as information. Mr. Ben C. Fisher, Director Christian Higher Education spoke to this report.

CHRISTIAN HIGHER EDUCATION

In a day when an education is possible and needful to face this changing world in which we live, we would look to our great institutions, seminaries, and colleges for such help.

Our Baptist Colleges continue to grow, both in number of students enrolled each year and request for a higher type of education. This need can only be met by the continued support of Baptist people or other means will have to be sought.

The Campbell College enrolled 2,351 in 1967, Chowan - 1,302, Mars Hill - 1,370, Gardner Webb - 1,300, Meredith - 969, Wake Forest - 3,163 and Wingate - 1,569 making a total of 12,024 enrolled as of October 15, 1967.

The continued growth of the support by our Baptist people through the Co-operative Program is most encouraging, and we wish to take this opportunity to thank our Baptist friends for the generous support through these means.

We would like to report that the increase on Baptist College Day and the number of churches participating were wonderful. The offerings on this day will help someone to receive that education, which he or she might not be able to get otherwise.

Every church can secure a team of college students to give testimonies as to what a Christian college means to them.

Respectfully submitted, Jack Powell

39. Seminary Extension Report prepared by Howard Willis was received as information. Roy Smith spoke to this report and presented a certificate to Mrs. Hilda Shepherd.

SEMINARY EXTENSION

The opportunity to learn at home is here. Every fall people in Macon Baptist Association have this privilege. Each year a Seminary Extension Class is held in the First Baptist Church for twelve weeks. One in Nantahala Section and this year one in the Clear Creek section.

Every pastor and deacon and teacher should be enrolled in these classes. Many of our people have not had studies in many of the books being taught, and this is an opportunity to improve your education.

We would ask that each of you promote Seminary Extension Study to begin in the last part of September, and urge all to enroll.

Respectfully submitted, Howard Willis

40. Mrs. Mary Powell presented the Vacation Bible School Report and moved the adoption. Report adopted.

VACATION BIBLE SCHOOL REPORT
1968

At this time, a report on VBS work in Macon Association could not be complete as all of the reports are not in, however, the devotion of the workers and quality of some of the schools is encouraging. Many workers in various churches worked under strenuous loads so that Bible Schools might be held.

As of this date 16 churches have reported schools, but several are known to have held schools for which no reports have been received. Five used the Summer worker, one of these being held in the Bethlehem Church in Franklin.

While we have accomplished much in Bible school, there is still much that needs to be done, many of the boys and girls attending Bible school do not attend Sunday School or church anywhere, the week or two they have in Bible school is the only contact they have with Christianity during the year. We must work doubly hard to see that more churches provide schools in order to reach such boys and girls and their parents for the Lord and His church.

Respectfully submitted, Mrs. Jack Powell, VBS Supt.

41. Sam Sanders moved the adoption of the Brotherhood Report. Report adopted.

BROTHERHOOD REPORT

We are thankful for the men in our Brotherhood. Although, we are not as strong as we would like to see in number, we feel that we are growing in the grace of our Lord Jesus Christ. Many things are yet to be accomplished for Him. As to date we only have three active Brotherhood's namely: Cowee, Highlands, Iotla and Ridgecrest. We would urge all of our churches to consider this organization in their churches. Brotherhood supports the RA's and surely there are a large number of boys in our churches who need to be in RA work. If we can help you in organizing a Brotherhood or RA call the Associational office. Every church needs men and boys witnessing and involved in Missions and this is what the work involves.

We are grateful for the past years work and look forward to even a more fruitful year for the Lord.

42. Woman's Missionary Union Report by Mrs. Mack Neely was received as information.

WMU ANNUAL REPORT

The purpose of Woman's Missionary Union is Missions. Sharing the Gospel message at home and around the world; through the teaching of Missions, by leading persons to participate in Missions, as they pray for and

give to support missions, by ministering and witnessing through mission action to all everywhere. We are grateful for the opportunity and the privilege God is giving us to promote His work through Womans' Missionary Union.

The Associational WMU President and the Stewardship Chairman attended WMU Conference at Ridgecrest Baptist Assembly for three days, August 13-16, 1967.

In November the Foreign Mission Study was taught by the local societies. Sugarfork Baptist Church organized a WMS with Mrs. Jesse Cunningham elected as the president.

In January a WMS was organized at West Franklin Baptist Church with Mrs. Louie Cochran as president.

In May a WMU was organized at Longview Baptist Church. We now have eleven Missionary Unions in the association, yet, it is tragic that we only have this number out of 48 churches. We wait an invitation to help you and your church organize a WMU.

In June all WMU's observed the Heck-Jones Memorial Offering of which $30,000.00 of the allocation going to the State Camp in Asheboro, N.C. to pay for the indebtness of the camp over the next 5 years.

Let us hasten to the work before us. Will you help bridge the Gap?

Are you ready for tomorrow.

Respectfully submitted, Mrs. Mack Neely

43. Girls Auxiliary Report received as information, prepared by Mrs. George Raby.

GIRLS AUXILIARY REPORT

The GA's have made much progress this past year, yet there is a great challenge ahead for us in the future.

Our Annual Coronation was held August 8, 1968, at 7:30 with the Holly Springs Baptist Church.

We had advancing in forward steps 3 maidens, 3 ladies in waiting, 3 princesses, 6 queens, 2 queens with a sceptre, 1 queen regent and 4 queens regent in service.

It has been a rewarding experience to serve these 3 years as GA Director, and may you keep up the good work and God bless you in all your work. I wish to welcome as your new Director, Mrs. D.A. Rhodes of the Highlands Baptist Church. God's blessings upon her and the GA work in the association.

Respectfully submitted, Mrs. George Raby

44. Training Union Report prepared by Mrs. Eugene Pickens was received as information.

TRAINING UNION REPORT

Training Union is a very important organization both to the individual and the Church. It is just what it says, "Training" and in this day there is not a church member but what needs training in every realm of Christian service.

We have had a very fine year in Training Union work in our Association, but there is still much to be accomplished and room for improvement. "M" Night December 1967, was a very good service and the attendance was good along with the program.

As of last years minutes we only had 22 organized Training Unions in Macon Baptist Association out of 48 churches with an enrollment of 1,037 out of around 8,000 Baptist resident members and an average attendance of 633.

Training is not the only and best solution to this days problems, but it will help us understand them and do a better work.

Respectfully submitted, Mrs. Eugene Pickens

45. The Sunday School Report by Roger Seay was accepted as informa tion.

SUNDAY SCHOOL REPORT

The commission of our Lord was to "Go and teach all nations., baptizing them, and He would be with, not only us but every person, who goes in this manner. There is a great need in Macon Associational churches for a larger and better attendance in Sunday School as well as many of the other services. There seems to be a falling away of many during these days of plenty and so many places to draw us away from God's House on Sunday.

We now have the Life and Work Curriculum material as well as the uniform lessons. Churches can take their choice of the two.

This has been a very good year in our Association in Sunday School work, but we are sure that there is room for improvements.

We are asking that you and your church join us in striving to enroll more people in Sunday School in the years to come. There is room in our churches for these. Will you join us?

Respectfully submitted, Rogers Seay

46. Mrs. Jeter Higdon presented the report of the Resolutions Committee and moved the adoption of this report.

IN APPRECIATION

Not because it is the customary thing to do, but out of the gratitude of our hearts, we, the messengers and visitors of this sixty-fifth annual session of the Macon Baptist Association, thank the members of the East Franklin and Pleasant Hill Churches for their genuine hospitality, under the leadership of their pastors Rev. Michael Dellinger and Rev. Wallace Tallent. We appreciate your thoughtful preparation for our comfort and for every kindness shown us. We thank the Pleasant Hill Church for the delicious meal enjoyed by all. Meeting with so many dedicated christian workers helps us to be in the right spirit and attitude to absorb some inspiration to meet the fresh challenge brought before us. Like children who look for Santa Claus from one Christmas to the next, we look forward from one associational meeting to the next, when we can again greet old friends, meet new ones, and fill our souls to overflowing from the spirit of the messages we hear from our associational leaders and state workers.

At the close of the year's work, we again like to express our appreciation to the moderator and the vice-moderator, to our Field Worker, Rev. Howard Willis, our clerk, Mrs. Cecil Frady, and our treasurer, Mrs. Stanley Pendland, for the excellent work they have done. To our pastors, the many committees, and to all the associational officers we are indebted for the splendid work done. We appreciate the endeavors of those who have so carefully and prayerfully planned the inspiring program on "A Church Fulfilling Its Mission Through World Missions". We express our deep gratitude to all who have contributed to the program. We thank God for the wonderful manifestation of His presence throughout the sessions. The music, the messages, the prayers and the fellowship have lifted our hearts and filled us with a greater desire to help our churches fulfill their mission through world missions.

Respectfully submitted, Mrs. Jeter Higdon

47. The Historical Report prepared by Miss Mae McCoy was accepted as information.

HISTORICAL REPORT

As we look back over the 65 years history of the work of Macon County Baptist Churches we can see the fruits of an evangelistic fervor combined with a strong Christian stewardship that has advanced the cause of Christ and His Kingdom from a small regional group to around 8,000 residential members.

Many have been our spiritual blessings this past year and we mention a few. Our beloved pastors are increasing their interest and concern toward the objects of Baptist work. They are working with greater zeal, dedication and enthusiasm. We thank God for them.

The greatest event that has ever come to Macon County and supported by Baptist was the County-wide Baptist Revival held in the Fair Building August 13th-27th, 1967.

Rev. J. W. Myers, pastor of the Cowee Church directed the Associational work in a wonderful way for seven months while out of a missionary, and during the time the committee was seeking a man to fill the office vacated by Rev. Howard Willis, who at the time felt the call to leave this work. The dedicated and efficient work of Rev. Myers cannot be evaluated, but we feel that he softened the grounds for our churches and their leaders to see and feel more deeply the need for placing a full-time Missionary in the Association. By the prayers and efforts of Rev. Myers and the Missions Committee and the people we now have a full-time missionary in the personality of Rev. Howard Willis.

Most all churches in our association have held revivals and others are planned. As the results many souls have been saved, and the church members rededicated themselves afresh unto the Lord.

Highlands First has called Rev. Harvey Stewart as pastor and he is now on the field. We welcome Rev. and Mrs. Stewart to our Association.

Plans are now being made for A Sunday School Enlargement Campaign to be held September 28th. Franklin First has already committed to join the movement.

North Carolina Baptists have made great plans in joining the many others in a united effort in 1969 in the Crusade of the Americas in carrying the Gospel to all men everywhere in North and South America.

Every church is urged to join in this Crusade in Macon Association which will be held April 6-20th, 1969. Franklin First has voted to join, and many other churches are expected to join soon. All 48 churches should get involved in this effort.

Pastors are taking advantage of the opportunities of attending meetings, clinics, and study groups to broaden their views and enrich their lives through Southern Baptist Conventions, Bible School Clinics, State Evangelistic Conferences, Seminary Extension Classes, State-wide Missionary Conferences, Mars Hill Study week and many others.

For a more conducive atmosphere for worship the following churches have been on the move: Iotla new pastorium completed and landscaping done, Holly Springs, Sunday School rooms have been completed and the steeple installed, and a note burning and dedication of church held. Black Mountain has drilled a well and installed rest rooms. Ridgecrest has paved the parking area; Oak Grove has a new cement walk leading to the fellowship hall and painted the church inside. West Union has began new Sunday School rooms. Coweets has finished the floors in the auditorium and new pews installed. East Franklin has painted the outside of the church and set up a library. West Franklin has paid off the indebtness on the church lot. Pine Grove has finished the floors and installed new church pews.

Respectfully submitted, May McCoy

48. Rev. Wallace Tallent led in singing "Amazing Grace", while officers of the coming year came forward. Rev. Harvey Stewart pastor of Highlands Baptist Church led the prayer of dedication.

49. The closing inspirational message was brought by Rev. Harvey Stewart, "Spiritual Famine", he read for scripture passage Amos 8:1-14.

Benediction by Rev. Harvey Stewart. Adjourned 2:45 p.m.

ASSOCIATIONAL MISSIONARY'S REPORT

They went forth and preached everywhere, the Lord working with them.
Mark 16:20

One of the greatest tasks that the Association as an organization has is supplementing and helping each Baptist Church to work together for the advancement of the Kingdom of God.

We believe that the chief task of the church is to create a warm, loving, spiritual atmosphere in order that the Holy Spirit can do His work in the hearts and lives of our people. God is calling for world-wide witnesses, individuals and groups who will preach the Good News everywhere, trusting in God to work through them.

To the churches, pastors, and Associational workers, along with each individual, who has and who are contributing to the work in any way, we want to express our appreciation to you and Almighty God for the blessings that have been ours during these months.

They went forth and preached everywhere, the Lord working with them. Let us accept the challenge and go everywhere preaching, with the Lord working through us.

Respectfully submitted, J. W. Myers, Associate Assoc. Missionary

9. The Divisions of Missions report prepared by Mr. Fred Stiles was received as information.

DIVISION OF MISSIONS

The Division of Missions works through six departments and various specialized ministries. In order to serve more effectively there is a Department of City Metropolitan Missions (centers over 2,500 population); Town and Country (towns under 2,500 population and all rural areas); Fruitland Baptist Bible Institute; Deaf Work; Interracial Cooperation; and recently approved Department of Chapliancy Ministry. In addition, there are specialized ministries at Cherokee; in military areas; and the following institutions: Leonard Training School; Samarcand Training School; McCain Sanitorium; Odom Prison; and Morrison Training School.

The leadership of the Division of Missions is emphasizing the salvation of the whole man. Our approach is based upon deep convictions concerning the necessity of both faith and works.

Respectfully submitted, Fred Stiles

10. The Home Missions Report prepared by Mr. George Roper was received as information.

HOME MISSION REPORT

In the face of an inflationary economy and moral problems, national and international tensions the "Home Mission Board" is dedicated and committed to the objective of assisting Southern Baptist in bringing men to God through Jesus Christ our Lord. We cannot be complacent when more and more are facing more complex problems and they have deeper spiritual needs then ever before. Christ is the answer to men's problems.

Home Missions involves every church and every Christian.

The Cooperative Program is the basic means of support for this work along with the Annie Armstrong Offering. Personal witnessing, evangelism, and associational work are made possible by support from these sources.

Will you become involved in Missions for Christ by giving.

Respectfully submitted, George H. Roper

11. The Foreign Missions report was moved for adoption by Mrs. Gladys Kinsland.

FOREIGN MISSIONS REPORT

We have 2,371 missionaries in 69 countries today telling lost people how to be saved. There are 5,154 organized Baptist Churches, of which 3,672 are self supporting. Baptisms totaled 50,003, giving a membership of 611,470. Baptist schools on mission fields total 837 with 87,597 students. Among these schools, there are 317 kindergartens, 342 elementary schools, 95 high schools, 20 colleges, 9 training schools for girls, and 8 vocational schools for boys.

Baptists have 21 hospitals and 83 clinics on our foreign fields. We treated 47,586 patients during the past year. There are 56 missionary doctors working and 63 nurses. Bibles and Christian literature have been distributed

to these sick people. We also support 800 children in 16 orphanages. It is good for our Baptist members here at home to have a part in giving the gospel to all people in the world.

May God richly bless our Macon County Association as each church contributed in the name of Christ.

Respectfully submitted, Mrs. Gladys Kinsland

12. In absence of Mrs. Jack Powell, Rev. J. W. Myers moved the adoption of Vacation Bible School Report. Report adopted.

VACATION BIBLE SCHOOL REPORT

At this time, we have received 17 reports of Bible Schools and are hoping for more to come in later. Many churches have reported exceptionally good schools this year.

Six churches in the Macon Association used the summer worker this year, one of these churches being the Bethlehem (colored) church in East Franklin.

At no time in V.B.S. work can we feel that we are ready to relax and rest on past merits, as there remains much work to be done and many churches to be reached with Bible Schools. No area of our church program offers a better means of teaching Bible truths to boys and girls than Vacation Bible School.

Respectfully submitted, Mrs. Jack Powell

13. The Biblical Recorder report was received as information.

BIBLICAL RECORDER REPORT

The year 1969 has been one of the most significant in the 136-year history of the Biblical Recorder.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark--an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The Recorder should be in every Baptist home.

We will continue to speak the truth in love.

Respectfully submitted, J. Marse Grant, Editor Biblical Recorder

14. EVANGELISM REPORT

Basic Purpose: The main purpose of the Division of Evangelism is to challenge pastors, church leaders and members, and other leaders of Baptist institutions under the guidance of the Holy Spirit to have a proper Biblical understanding of total evangelism and to practice New Testament evangelism in all areas of life.

1. Study and evaluate the specific needs of associations and churches with regard to the involvement of members in total evangelism.

2. Encourage pastors and members to attend the State Evangelism Conference.

We are also indeed grateful for the Macon Baptist Revival. We are grateful for the committees and to those who made it possible. We are thankful for the hearts that were revived and most grateful for those who were saved.

Respectfully submitted, Rev. J. S. Cunningham

19. Friday Morning September 12, 1969
Mt. Hope Baptist Church

Mt. Hope Baptist Church was host for this session. Vice-Moderator, Earl Dendy, called the meeting to order 9:30 A.M. Mr. Corbin led the singing, "Christ Receiveth Sinful Men".

20. Host pastor, John R. Willis, welcomed this session of the Association to Mt. Hope Baptist Church. He read the scripture Acts 1:8. Prayer was led by Rev. Jim Crayton.

21. Baptist Foundation Report was received by the Vice Moderator as information.

FOUNDATION REPORT

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar ($1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from $350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

Respectfully submitted, C. Gordon Maddrey, Executive Secretary

22. COOPERATIVE PROGRAM REPORT

Tom Green spoke to the Cooperative Program Report. He emphasized our responsibility as stewards and asked, "What have you done?" He reemphasized what Jesus said, "Will you do something for me?"

When the word "stewardship" is used most of us begin to see dollar signs $$$! If we think of stewardship only in terms of money we miss the mark in our concepts. Stewardship means responsibility -- responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this year is $6,750,000.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.

2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation we stand ready to assist in every way possible.

Respectfully submitted, Paul Swafford

23. BAPTIST CHILDREN'S HOME REPORT

Among church supported agencies, North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1,200 children and their families are served annually.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Respectfully submitted, Mrs. Ruby Young

Mr. Terrell spoke to the Children's Home Report.

1. He brought to mind giving gifts in lieu of flowers and the donar would receive recognition.

2. Children that were at the Children's Homes are living throughout the state and nation.

3. The building of the new home at Waynesville-Clyde, N.C.

4. A home will be opened in Asheville for unwed mothers.

24. HOMES FOR THE AGING REPORT

These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Respectfully submitted, Swann Elliott

25. Dr. McGee spoke to the Hospital Report and answered the three leading questions concerning hospital care.

1. Free Service - Free service are still available but on a limited scale.

2. Why The Cost So Much? The pay of the employees must be in line with the pay in other fields.

3. Why Pay In Advance? Unless one is covered by insurance they are asked to make a down payment when admitted.

BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

Respectfully submitted, Bruce Bryant

26. Rev. Guy Cain spoke to the Annuity Board Report. He encouraged the churches to get concerned about their pastors. He stated that God calls preachers to the ministry and He calls people to support their pastors.

ANNUITY BOARD REPORT

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Highlights of 1968

1. 3,451 new members in the Southern Baptist Protection Program.
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967.
3. 18,086 churches providing protection for their pastors.
4. 145 agencies providing protection for 9,894 employees.
5. $173,863 given in relief grants.
6. $6,543,169 paid in total relief and protection benefits.
7. 3,106 applications for Health Benefit Plan, 1,677 net gain.
8. 790 applications for Life Benefit Plans, 134 net gain.

27. WOMAN'S MISSIONARY UNION REPORT

Today there is change in every area of life.

Woman's Missionary Union has also experienced change this year. The message of W.M.U. remains the same,"Missions"; to teach missions, to lead persons to participate in missions; through giving for the support of missions, through ministering and witnessing through mission action, to provide organization and leadership for special mission projects of the church and to provide and interpret information regarding the work of the church and the denomination. The sole purpose is helping others to come to Christ and training these to grow in grace and in knowledge of our Lord and Saviour, Jesus Christ. This message remains the same, but the methods have changed. Now the organizational structure is more simple, more flexible, and more active than ever before.

We in Macon Association W.M.U. entered a new year under the leadership of the Holy Spirit, consistent prayer and much preparation as we faced the challenge to become acquainted with the new changes and to be willing to learn and to be led of God.

Respectfully submitted, Mrs. Mack P. Neely

28. TRAINING UNION REPORT

Training Union is very important to all ages of people.

We hope to see all the churches in Macon Association have Training Unions. "M" night was observed in December, and we had a good program.

We have good workers in Macon Association. We pray for the officers in the coming year that we may have a wonderful year in all our church and associational work.

Respectfully submitted, Sam C. Saunders

29. HISTORICAL REPORT

All Christians are commanded by God to witness for him and to serve him where they live. He has called us to send others where we cannot go. Have we Christians, of Macon Baptist Association, obeyed these commands? The following report will not fully answer this, but it will perhaps help us to take a closer look at ourselves.

A number of churches in Macon Association took part in the wonderfully planned program of the "Crusade of the Americas." Reports of these revivals were very encouraging and rewarding.

The film, "Bill Wallace of China", was shown in the Macon Theatre in December of 1968. This was a rare opportunity to further one's understanding and appreciation of our great mission work that Baptists are doing.

Pastors are taking advantage of the opportunities of attending meetings, clinics, and study groups to broaden their views and enrich their lives through Southern Baptist Conventions, Bible School Clinics, State Evangelistic Conferences, Mars Hill Study group, and many others.

For those who attended the Evangelistic Conference held at Greensboro, N.C. February 3-5, 1969, we are grateful and wish that more of our pastors could have been there. All reports indicate that this one was the best yet. Over 3,000 filled the building. Many were standing in aisles or just any place they could get to hear the great men speak. This reminds one of the song we sing so often which says: "We love to tell the story, For those who know it (message of salvation or God's word) best, Seem hungering and thirsting to hear it like the rest."

Our churches have responded very well to the appeal made to them for funds to help in the building of the Children's Home now being constructed near Clyde, N. C.

Church buildings and ground improvements are as follows: Pine Grove Church put on a new roof; Mashburn Branch has installed new furniture and provided a choir loft; Tellico has installed a new heating system, improved the water system and restrooms; Burningtown voted to construct a new front on the church; Black Mountain bought a new piano; Oak Dale cleared a lot given to the church by Lawrence Roper (this will be used as a cemetery); Iotla has furnished the pastor's study and purchased fifty folding chairs for the church fellowship hall; Windy Gap has painted the sanctuary inside, bricked the outside, installed new guttering, and put in new windows; Gold Mine has installed a new overhead heating system; Cartoogechaye has put new carpeting in the aisles and front; Rose Creek is enlarging their present church building; Higdonville has provided a new classroom for the young people's department and is purchasing new furniture to coordinate the Sunday School classrooms with the sanctuary.

Respectfully submitted, Miss Mae McCoy, Historian

30. Due to Dr. W. Thomas Lane being sick, his alternate, Rev. John R. Willis brought the Doctrinal message. He read the scripture from Eph.2:1-10. Message, "God's Grace".

31. Rev. Willis pronounced the benediction and asked God's blessings upon the noon day meal. Adjournment 12:00 noon.

Friday Afternoon - September 12, 1969

32. Song led by Mr. Corbin. Scripture read by Rev. H. L. Stewart, I Cor. 13th Chapter. Prayer.

33. Business session conducted by Vice-Moderator, Rev. Earl Dendy.

34. PLACE AND PREACHER REPORT

Newmans Chapel Baptist Church (night session) September 10.
Rev. Cecil Frady will deliver Annual Sermon.
Holly Springs Baptist Church (day session) September 11.
Rev. M. I. Brock will deliver Doctrinal Sermon.

35. SEMINARY EXTENSION REPORT

The Division of Christian Higher Education of the Baptist State Convention functions chiefly through the Council. The Council membership is made up of the eighteen members of the Education Committee of the General Board, seven college presidents, seven chairmen of boards of trustees, and seven academic deans. Ex-officio members include the president of the Convention, president of the General Board, General Secretary-Treasurer of the Convention, and the president of the state Woman's Missionary Union.

Dr. Ben C. Fisher is director of the Division of Christian Higher Education and executive secretary of the Council.

All colleges have regularly scheduled chapel services which provide an opportunity for worship, meditation, scripture, prayer, music and preaching. Baptist colleges are not only concerned with the special role of training the Christian vocational worker, but they are also concerned with teaching and training churchmen who will take Christian views and sympathies into any vocation which they enter.

The Cooperative Program is the Baptist College lifeline. Administrations, faculties, students, trustees, and alumni are deeply grateful to North Carolina Baptists for this support.

The Baptist College Day offering has become another significant means of financial support to our Baptist colleges, and each church is urged to participate.

Respectfully submitted, Jack Powell

36. TRUETT BAPTIST CAMP REPORT

Rev. Jesse Bailey spoke to this report. He showed slides of the camp and all the phases of the camp work.

The attendance was the best it has been in several years. It may have been the best ever. Every week's attendance exceeded the largest week of 1968. The Girls' Camps were so popular we had to add an extra week. There was an average attendance of 35 campers for the four weeks of Girls' Camps, plus an average staff of 9 each week. The Boys' Camps averaged 30 campers with 9 staffers weekly. The average attendance for the full seven weeks was 33 campers plus 9 staffers. This gave a total average of 42 per week.

There was an average of 5 different associations represented each week. Every association in Region 10 was represented during the season except one.

The finances increased considerably over last year. Last year only 9 churches from 5 associations contributed. They gave a total of $1,186.99. This year witnessed 30 churches from 6 associations giving $2,522.91. But even with the marked increase there are yet 220 churches in Region 10 who have not contributed anything. In order to improve the Camp as desired and planned,

the Camp's income from the churches must increase far beyond what it presently receives. Certainly these churches that do not regularly give to the Camp should be urged to share in this ministry for Christ.

Each year the Spirit of God makes Himself known in the lives of the campers. This year was no exception. Almost every camper attending made some type of decision for Christ. Thirty of those attending received Jesus as their Lord and Saviour. There were a total of 107 decisions for Christ recorded during the camp season. These youngsters commiting their lives to Christ is a blessing that far exceeds all that was expended at Truett Camp in either time, talent or money.

Yes, we praise the Lord for all His marvelous blessing. But we also realize that there remains much more to do. Until we can completely remodel the kitchen, and until we can erase the $1,500 owing on two notes, we must postpone all further enlargement plans. To pay off the notes and remodel the kitchen means we need to raise approximately $3,000 immediately. A plan to seek to raise money from individuals, over and above the church contributions, has not met with much success as yet. However, we are still working on it.

If those churches that are not giving will begin supporting the camp with regular gifts, and some of those already giving would increase their gifts, there is no limit to what can be done for the glory of God at Truett Camp next year. Lead your church into supporting Your camp, George W. Truett Baptist Camp, with your gifts and your children.

Respectfully submitted, Arvel Parker

37. MISSION COMMITTEE REPORT

The Mission Committee met several times last year trying to carry out the task that was given us.

There was some three or four contacts made in regard to securing a Field-Worker to serve us in Macon Baptist Association. When the contacts were made and we had no place for a Field-Worker to live this ended the contact with the ones that we talked with.

In the July meeting of the Executive Committee we recommended to build a home for a Field-Worker to live in. The Executive Committee gave us permission to secure a lot for a home and this we have been working on.

Thanks to everyone for your support.

Respectfully submitted, J. W. Myers, Chairman

38. TEMPERANCE REPORT

From one standpoint this has been a very good year for those who are deeply concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have greatly liberalized the laws relating to sales, and would thereby have increased the consumption of alcohol. Every State that has adopted liquor-by-the-drink sales has seen an increase in per capita consumption in that state.

We are rejoicing in some of the bills that were passed:

The implied Consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

A bill to increase taxes on beer and whiskey, Tax on beer up from 3.5 cents to 5¢ per 12 oz. container. Tax on whiskey up 30¢ per fifth and due to go up more.

Special contributions are always joyfully received. We represent you in this work. Remember to pray for the work and workers; and give us your financial support.

Respectfully submitted, D. P. McFarland, Executive Director

39. RESOLUTIONS

Again words fail us as we try to express the feelings of the messengers and visitors of the sixty-sixth annual session of the Macon Baptist Association. Since we are living in a day of transition we find our faith is being tested and our witness challenged as never before. We constantly hear the excuse, "I just don't have the time". And time does seem to get away with such suddenness we find it hard to adjust to the abrupt changes in the work of our churches. But these changes are only in the methods, not in the purpose. For our purpose remains the same: To do the will of God.

As we have listened to the messages, the music, and the prayers and enjoyed the fellowship with fellow members we are made to realize in a great way our lack of consecration and commitment to the will of God. As we try to voice our appreciation for the hours of fellowship we would like to offer the following resolutions.

Be it resolved -

First - That we express our deep gratitude to the host churches, Mashburn Branch and Mt. Hope for their warm welcome and the many kind services rendered us and for the delicious meal supplied by the Mt. Hope Church.

Second - That we accept the challenge of the good reports and that those brought by the visiting speakers.

Third - That we thank the Program Planning Committee for the excellent program provided.

Fourth - That we cooperate with our pastors in seeking to arouse more interest in our annual meetings and better attendance for them.

Fifth - That we express our thanks to our Moderator, Vice-Moderator, and staff for another year's work well done, to Rev. J. W. Myers for his untiring services as Field Worker, to Mrs. Stanley Penland, our efficient treasurer, and to Rev. Harvey L. Stewart, or Clerk.

Surely the presence of the Lord has been felt in these sessions. We are grateful for the privilege afforded us to experience the inspiration which comes from association with others of like purpose. We pray God's blessing upon each one and we pledge ourselves anew to help our churches in fulfilling their mission through evangelism and missions.

Respectfully submitted, Mrs. Jeter Hidgon, Mrs. Charles Pickens

3. Rev. Alton Dendy, host pastor, welcomed the Sixty-Seventh session to Newman Chapel Baptist Church.

4. The Moderator recognized pastors and visits at this time.

5. The report on enrollment was given by the clerk, Rev. H. L. Stewart. Each church and messengers were recognized during the roll call. Eight pastors were present. Sixty-three messengers present. Twenty-three church represented. The clerk had received forty-six church letters. The clerk moved that the present duly appointed messengers would constitute the governing body of the association. The report was approved and adopted.

ASSOCIATIONAL MISSIONARY'S REPORT

I think of the theme of the Convention as I start on this report - Living The Spirit of Christ In Belief and Relevance.

I think of the motto of "Doing Together, What We Cannot Do Alone."

We are grateful for what has been accomplished this past year. As we read and hear the reports people won to Christ, rededications, organized WMU's progress or improvements on the church building, the gifts of land for a Missionary Home, the gifts of the churches in support of Associational work and for the Missionary Home, the gift of survey work, the gift of blue prints for the Home, the gift of the Baptist State Convention for lot aid, on and on we could go renumerating the blessings we have received.

But, there is still a great challenge before us. We now have $9,164.12 in savings - we will need a lot more to build the Missionary home. But we can do together what we cannot do alone.

Can we count on you and your church to share this great challenge together? By praying for the Association, by attending the meetings, by being an officer in the Association if you are called upon, and by sharing in the financial support to the Association? You can do this by giving your tithes and offerings in your church and your church giving a reasonable percentage of the offering plate dollar to Associational Missions.

Doing Together, What We Cannot Do Alone - can we count on you and your church?

Respectfully submitted, J.W.Myers, Interim Field-Worker

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after come delays, and is expected to be completed by mid - 1972. (Continued)

With all the growth, one thing remains unchanged; the desire and determination to care for the needy sick. Lat year it ministered to 5,225 Serice Patients for 47,499 days of hospital care. The free care amounted to more than a million dollars beyond what the patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565.000 of the amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day offering. Though our Mother's Day offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

ANNUITY BOARD REPORT

"Good Experience credit" is a new term in Protection Program vocabulary. The term means larger benefits for active and retired members as of January 1, 1970. Here is how it works:

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and All now are the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credit accured as of that date. Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition these members received the "13th Check" in February. The "good experience credit" and the 13th Check" are realities because interest earnings were in excess of what was required actually by the plan.

Highlights of 1969:

Total active members in:		New Benefit Recipients	1,059
Plan A	24,256	Retirement	643
Plan B	9,756	Disability	51
Plan C	3,358	Widow	139
Health Benefit Plan	14,871	Child	105
Life Benefit Plan	9,336	Education	100
New Group Ins. (Churches)	1,130	Variable	21
New Group Ins. (Agencies)	2,228		

Three churches in the Macon Association are participating in the Protection Program as of June 30, 1970

HOME MISSIONS REPORT

The Home Mission Board is observing its 125th anniversary year with gratitude to God for His favor and appreciation to Southern Baptists for their support during the past century and a quarter.

Though society has changed drastically and the contemporary scene is often disturbing, the Home Mission Board's task remains unchanged - Our Land for Christ.

The Home Mission Board appointed 585 new missionaries in 1969, bringing the total number of missionaries to 2,235. Other missionaries in service were 922 Christian Summer Personnel, 74 short-term and 40 long-term Christian Service Corps, and 31 youth groups with a total of 1,175 young people. Southern Baptist churches reported 368,225 baptisms for 1969.

Against a background of a divisive war, persistent racial conflict, student tensions, shifting moral values, a slowing church membership growth, and a shaky vitality with Christendom, the Home Mission Board seeks a blending of faith-commitment to Christ and ministry to fellow-men.

Respectfully submitted, Mrs. John H. Campbell

FOREIGN MISSIONS REPORT

Foreign Missions is a channel through which each individual Christian in the Macon Association and throughout our Southern Baptist Convention expresses concern for the world and response to our Lord's Great Commission.

At the close of 1969 Southern Baptists had 2,490 missionaries serving overseas. This included 153 missionary associates, 4 special project nurses, and 128 missionary journeymen. Appointments during the year totaled 261 (139 career, 49 associates, 62 journeymen, 1 special project nurse, and 10 career appointments.) Between January and May, 1970, 18 more were added. The year set a new record for missionary appointments.

Yet, even with added personnel and facilities, several hundred calls for new missionaries are still unanswered. May each of us in the Macon Association pray that young people from our churches will hear the call of Christ to help fill the great need of our day.

Respectfully submitted, Barbara Roper

THE MISSIONS COMMITTEE REPORT

The Missions Committee met several times last year and looked at several plots of land trying to find one suitable for a field worker's home, but our task came to an end when God worked through Mrs. Paul West. She donated to the Macon Baptist Association 1.58 acres of land for a field worker's home and a Baptist building. We feel there should be much thanks given to Mrs. West for doing such a great thing for God and His people.

In a meeting of the executive committee we were given permission to secure a right-of-way for a street and to have it graded, and this we are now working on.

Thank you for your support.

Respectfully submitted, James W. Gibson, Chrmn.

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union is for those who desire to serve the Master in helping the church fulfill its mission in the world. The tasks of WMU: To teach Missions, to engage in Missions Action, to support World Missions through praying and giving, and to provide and interpret information regarding the work of the church and denomination. As we face the new decade - the dangerous challenging 70's, we need to be reminded we will either shape the 70's or be shaped by them. Let us go forward, not by might, nor by (human) power, but by the Spirit of God, until the knowledge of God saturates all the earth.

Will we take the opportunity God is offering us in Woman's Missionary Union to seek the lost, to meet the needs in our communities and around the world as we pray and give? In a world of wars, strife, fears, prejudices and unbelief, God's purpose is at work in us as we go forth and we can only go forth filled with the Spirit of God.

Respectfully submitted, Mrs. Mack P. Neely

TRAINING UNION REPORT

Today, Christianity faces its greatest challenges. It is not in danger as a result of those who would destroy it but rather as a result of those who don't care. The challenge is clear. You and I must recommit our efforts to Christ's command, - Teach All The World. I submit to you that people who care are doing something - Christians of the past cared, but their efforts are not sufficient to sustain tomorrow's needs. If we care we will give our best. To give our best we will teach and train others.

Respectfully submitted, Don Ledford

REPORT OF THE BIBICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues. In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, we North Carolina Baptists have had the Biblical Recorder as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love. We are told in the past year the Recorder had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A Recorder editorial endorsing him was considered a factor in his election on the ballot at Denver. It is an honor to have the convention president from our state.

We appreciate the Recorder continuing its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow in our state. If your church is not sending the Recorder to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly. Your churches would not think of trying to carry out their mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The Recorder too is important and should be in the budget just as this literature is. The cost is only 4¢ a week. Your church is the loser by not taking this step. Won't you do it this coming year? According to last year's minutes the Iotla Church has the Recorder in their budget and the Holly Springs Church has taken this step just recently.

Respectfully submitted, Mrs. Edd Brogden

DIVISION OF EVANGELISM

In associational evangelism clinics a strong emphasis was place upon: Shaping the 70's through Evangelism, Strength for Living Rivivals, and Youth Evangelism. Some churches across the state experienced outstanding revivals as a result of dependance upon the Holy Spirit, genuine prayer, careful planning and involvement of adults and youth in witnessing.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

Respectfully submitted, Rev. J.S. Cunningham

ASSOCIATIONAL FOUNDATION REPORT

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from $350,000 to more than one million dollars. This includes trust funds and real estate.

The Baptist Foundation has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

SUNDAY SCHOOL REPORT

For the last year we in the Macon Association have seen a greater emphasis put on Sunday School by our local and state workers. We have been made more aware that the job of our Sunday Schools is to "reach people and teach people."

I hope that as we fulfill the Commission of Our Lord (Matt. 28:19-20) that we will join together winning people for Christ and church membership.

Respectfully submitted, John D. Tippett

REPORT ON CHRISTIAN HIGHER EDUCATION

The seven North Carolina Baptist Colleges had enrolled last year more than 600 students who have dedicated their lives to full-time Christian service. There were enrolled last year in our Southern Baptist Colleges and Universities 7,070 who have chosen to give their lives to the service of the denomination These include 3,671 ministerial students, 863 home and foreign mission volunteers, 610 church education volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

Indeed we should be proud of our Baptist colleges and their advancements. We should be proud enough to support them with our prayer and our gifts to the Cooperative Program which continues to be the largest single source of annual income for our colleges outside of student charges. Let us pray that our Baptist colleges will continue to provide an atmosphere conducive to young people hearing the call of God and responding to that call.

Respectfully submitted, Mrs. Josephine R. Cabe

HOMES FOR THE AGING

God has blessed our Homes through the years, and this past year in a very special way. We are ministering to 195 elderly persons in our five Baptist Homes.

In February an appeal was made to the Baptist people to help support our Baptist Homes. The plea was heard and in one year the Baptist churches gave $168,349.34. We pray that the people of North Carolina will continue to help support our Homes for the Aging.

Respectfully submitted, John Roper

COOPERATIVE PROGRAM

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per cent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the

imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Respectfully submitted, Mr. Paul Swafford

HISTORICAL REPORT

It is with gratitude that in this year of 1970 we are able to point out some ways of progress in our churches and in our Association which reflect a deeper concern for progress in Christ's Kingdom work for today and for tommorrow.

Possibly the most outstanding work is the progress which has been made toward a home for a Field Worker. Following are the high-lights of this work: A nice piece of property which lies between Harrison Avenue and Iotla Street, has been given to Macon Baptist Association by Mrs. Paul West (a daughter of the late Rev. Jesse B. Stalcup). The deed to this property, which is about two acres in size, has been made and registered. The blue prints for the building have been drawn and accepted by the Executive Promotion Committee. The Missions Committee is now working on a street right-of-way. Getting specifications for the type of materials that will go into the building is also underway. When this is done an estimate cost of the building will be brought before the Executive Promotions Committee for their approval.

The blue prints not only call for a home in which a Field Worker and his family may live, but it is also a plan for a type of building needed for the Worker's office, for storing supplies and the many materials necessary to use in carrying out his duty to our Association.

The whole project is a long range one. When it is completed there will be a building in which Macon Baptists can hold county-wide revivals and other important meetings which leaders of our churches and our Association are responsible for holding.

At this time Macon Baptist Association has about $8,000.00 in savings. This is a goodly beginning for this project.

The progress thus far was brought about only by vision, patience, careful planning, perseverance, and much prayer by those who worked so hard on this great project.

Other signs of progress are: First, more of our pastors, church leaders associational leaders, and Layman are attending important meetings such as The World Mission Conference held September 14-17 with the Cowee Baptist Church where Rev. J.W. Myers is pastor; State-wide Briefing Meeting, High Point First, High Point, N. C., Shaping the 70's Conference held in Asheville, N. C., January, 1970, Church Leadership Tours, State W.M.U. Workshop, Hickory, N. C., and other meetings district and Associational which they are called upon to attend. Second, the county-wide Baptist revival held for the third successional year in the Coutny Fair Building was truly a blessing and souls were saved and others revived. Third, There is a growing interest in the Seminary Extention courses taught each year in Macon Association Community. Fourth, Church News: Liberty Church has called Rev. Clyde Collins as full-time pastor. Longview has called Rev. Wiley Gibson to serve as full-time pastor and has licensed Jimmie Guffie for the ministry. Jimmie is the son of Mr. and Mrs. Zeb Guffie and is a student at Wake Forest College.

Highlands First has placed all-over carpeting on floors, installed new pews and other new furnishings for the sanctuary. Rev. Harvey Stewart is pastor. White Oak Flats Church has put up Seal-O-Tex, paneled the walls, and put tile on the floor. Rev. Carl Roper is their pastor. Cowee Baptist Church has installed an Allen organ, T12B with two-tone cabinets. Rev. J. W. Myers is their pastor. Oak Grove Church has placed all over carpet on the floor, installed new pews, put up new railing in front of pulpit, placed new chairs for choir and installed new pulpit. Rev. Howard Willis is pastor. Franklin, First has recently installed a Schantz Three Manual Pipe Organ

(Continued)

with chimes. The cost was almost $40,000.00. Dr. Thomas W. Lane is the pastor and has been for almost seven years. Newman's Chapel has installed aluminum windows in the auditorium and they have called Rev. Earl Dendy, who has been serving half time as pastor, to full time.

Pine Grove is rewiring their church building, installing a new heating system and erecting a new brick sign in the church yard. Rev. Alton Dendy is their pastor.

The 1969 minutes of Macon Baptist Association recorded 43 churches with pastors. Seventeen of these had preaching services twice each Sunday.

The 1968 minutes recorded 29 churches giving to Associational Missions. This year, 1970 we have 32 churches giving to this cause; eighteen give regularly and there has been a climb in Cooperative program offerings.

Now, for the progress made this year in our churches and in our Association we should tune our hearts and our minds in praise and thanks to God for leading us thus far.

While the message of redemption is unchanging, the world in which the gospel is told is constantly changing. In Luke 12:56 Jesus gives a stern rebuke to the Pharisees who had failed to see that they were living in revolutionary days. Jesus said to them: "Ye hypocrites -- how is it that ye discern not this time?"

Let us employ methods demanded in this day and go out with unconquerable faith to serve and witness for a living Lord in such a great way that the Macon Baptist Association at the end of another year may truly be able to say that it was the greatest ever witnessed in its history.

Respectfully submitted, May McCoy

TRUETT BAPTIST CAMP REPORT

Among the many improvements this year were the new kitchen, remodeled showers, redecorated dining hall, and the Rev. Yancey Clegg Memorial Library. There are still many other physical improvements needed, but we know that with your continued support we will be able to soon meet these needs also.

The attendance this year averaged 32 campers and 8 staff members each week. The total average attendance 40 per week was down by 2 from last year. The total attendance this year was 222 campers as compared with 230 last year. Of these 222 there were 29 professions of faith. There were 65 other types of decisions made for Christ. A total of 94 decisions for Christ were recorded for the 7 weeks.

The Advisory and Promotional Committee is suggesting that all of the churches of Region 10 observe Truett Camp Day on the first Sunday in June each year. You will be receiving more information on this later.

In spite of the increased gifts it has become necessary to increase tuition next year. The exact amount will be determined by the Camp Committee and will be publicized in the new literature. The cost of operating the Camp has exceeded the income from operations by almost $1,000 this year.

We rejoice over a great year. We pray for and expect a continued growth in the years ahead.

Respectfully submitted, Jesse A. Bailey, Chairman
Truett Camp Committee

VACTION BIBLE SCHOOL REPORT

As of this writing only 13 reports have been received in the Association office. Some churches are known to have had schools but to date, no report has been received.

There were 14 professions of faith reported in the 13 schools. Three of the schools were held by the Summer VBS worker.

(Continued)

All of the people I talked with were very pleased with the new materials. I found them to be easy to use and adapt to the particular needs of the individual church.

There are a great many areas which need improvement in our Associational VBS work. Now that we are a little better acquainted with the new program, let's try to concentrate on a better quality of Bible School.

Respectfully submitted, Mrs. Jack Powell, Assoc. VBS Supt.

IN APPRECIATION

We, the messengers and visitors of the Sixty-Seventh Annual Session of the Macon Baptist Association wish to express our appreciation to the Newman Chapel and Holly Springs Churches for their hospitality.

We appreicate the endeavors of those who have carefully and prayerfully planned and carried out the programs. We are grateful for our State Convention speakers. We look forward for the information and inspiration we gain from these dedicated men of God.

We are grateful for the consecrated and efficient leadership of our moderator, the vice-moderator, clerk, field worker, and treasurer. They have contributed much to the progress in this associational year. The presence of the Lord has been keenly felt during these sessions and we have come to see more clearly His mission for our individual lives. May the Holy Spirit lead each church during the coming year that we may go forth in the power of His spirit to be better witnesses to all people everywhere. I John 3:18, "Our love should not be just words and talk; it must be true love which shows itself in action."

Respectfully submitted, Mrs. Fannie Gibson

BROTHERHOOD REPORT

The Brotherhood of the Macon Baptist Association has established two new Brotherhoods in the Association during the past year and has one other in the organizing stage at present.

We will be happy to go to any church in the association which does not have an active Brotherhood organization and aid them in the beginning.

Lets all as Christians pray that the men of our Association will see the need for this vital mission work.

Respectfully submitted, Gene Collet, Assoc. Brotherhood Dir.
